Gilcrest of the P. L. S. Co., has been in the city since Thursday. Mr Gilcrest says the past winter has been very favorable to the stock and they have come through in excellent shape on all the Company Ranches. J. H. John Budelman arrived home from Portland where he went last month in company with his wife and son. For bargains in hardware see Voegtly. Found—A bear-skin glove. Inquire at this office. Mrs Chas. Roper was shopping in our city last Saturday. Horses to hay at the Red Front Barn 35 cents. James Turner and wife were in from the Welcomeville section the first of the week. The Windsor, under the management of C. B. Smith & Co., is one of the most popular resorts in the interior. This old reliable Company makes all kinds of Monuments, Grave Covers, Corner posts Vases and Urns, out of pure refined Zinc, which is one of the elementary or virgin metals, the same as gold and silver, and is indestructible and cannot be affected by the climatic conditions. These monuments are cheaper by half than any kind of stone, more beautiful in design and cannot be broken. Mr. Lewis desires all who are contemplating the purchase of anything in this line to call on him at the office of Biggs & Biggs, and see designs sample of material and get prices. Died—At her home in this city last Monday night, Mrs. John Culp aged 21 years. The lady had been quite ill but had improved and was again up doing her usual work. She suffered a relapse on Friday night and rapidly sank until her death. Deceased was a very industrious lady and had lived in this section since 1898. She was the second daughter of Geo. H. Dyer and was married to John Culp in Aug. 1899. Besides her husband her father and three brothers, of Eugene, Oregon, two sisters, Mrs. Walter Sanford and Mrs. Loren Hembree, of Kent, Wash., survive her. The funeral took place from the residence Wednesday morning Rev. A. J. Irwin conducting the services. The remains were interred in the Burns cemetery. The bereaved husband has the sympathy of a wide circle of friends. Died—At his home near Burns last Monday night, Feb. 29, John Dunstan, aged 58 years. The cause of his death was uremic convulsions and apoplexy. He had been at his usual work during the day and took sick quite suddenly. Deceased was born in England and came to this country in 1873, going to California and Nevada where he worked in the mines, removing to this valley in 1883 in company with his old time friend Stephen Lampshire. The two formed a partnership and took land adjoining in 1889 Mr. Dunstan went to Baker county where he again engaged in mining and where he married the wife who survives him six years ago. He returned to his ranch to live permanently 3 years ago. His death was a shock to his many friends in this vicinity where he was well known and highly esteemed. Mr. Dunstan was a Mason, belonging to the Baker City lodge. The funeral services were conducted by Burns Lodge No. 97, A. F. and A. M. from their hall in this city last Wednesday afternoon and the remains laid to rest in the Masonic cemetery. Besides his wife a brother, Michael, now in England, survives him. A good man has gone to his reward. NOMINATION FOR CITY ELECTION. A mass meeting was held at the court house Thursday evening for purpose of nominating a ticket for the city election next Tuesday. There were about 100 voters in attendance. Dr. Geary, our present mayor, was the only name before the meeting for that place on the ticket and he was nominated by acclamation. L. Woldenberg Jr. and S. W. Miller were up for recorder, the former being the choice of those

present. J. C. Foley and C. E. McPheeters were selected as the two councilmen, Geo. Hayes being also nominated but the two former received the highest votes. Robt. George was the choice for marshal over J. W. Sevedge and A. C. Welcome received a majority of the votes for city treasurer over V. J. Hopkins. Another ticket will be placed on the ballot, although it is possibly not a full one. We learn that R. A. Miller will be put up for mayor, S. W. Miller for recorder, V. J. Hopkins for treasurer and J. W. Sevedge for marshal. It is not known whether other names for councilmen will be placed on the ballot or not. TOOK HIS OWN LIFE. Geo. Waters brings the news that Lou C. Chamberlain, an old time resident of the White Horse section, this county, committed suicide last Saturday afternoon near the Chas. Turner ranch at Andrbws, by shooting himself in the head with a rifle. He learned that Lou had been drinking heavy for several days and had taken the rifle out for the purpose of killing rabbits. On Monday his body was found and every indication pointed to self destruction the ball entering near the right temple. Deceased had resided in that section since the early '80's and was well liked. He was about 40 years old and unmarried. Mr. Chamberlain had always drank considerable and was no doubt his worst enemy, as he was a very intelligent man, well educated and had at one time been a printer. He had no relatives in that section of the country. "OLE OLSEN" A CRACK-A-JACK. Meade's comedy and Dramatic Co. added laurels to their already good reputation last Monday night when they gave a big house full of people "Ole Olson" most satisfactorily. The author might have produced it better but he couldn't have suited the people who attended any better. Its fun and then some. The management could advertise it "Money back if you don't like it," and be perfectly safe. The same bill will be repeated tonight and if you fail to see it you're the loser. CALAMITY ITEMS. The following items were received too late for publication last week: I thought perhaps you would like to hear from old Calamity so I take the opportunity to write you a few lines. We have had some warm weather accompanied with rain which is taking the snow off very fast; the grass is starting nice on the hills and stock have gone through the winter in fine shape. School will commence at Calamity on the 29 of February. It will be taught by a young lady from California. Sunday school has had a rest through the bad weather but will commence again on Sunday February 28th. There was a birthday party given at Mr. Howe's on the evening of the 22d of February. There were several persons whose birthday came in February and their ages were so near the same they gave a birthday party half way between which was on the 22. The evening was spent in playing games, music and singing. James Gearhart rendered some excellent music on the violin accompanied by Harry Redding on the piano, Mr. Jones sang several songs one being the flood of Heppner. An excellent lunch was served with coffee at about eleven o'clock. All present enjoyed them selves and the party did not break up until day light. One of those fine meals at the "Cafe de Meade" of an evening will make you feel like a new man.

Chas King and wife came in from their ranch near Crow Camp last Monday. BATHS! BATHS! BATHS! Every Sunday (exclusively) for the ladies.
