JULIAN HYED - - - - - Manager

One of the most popular and deserving men in Harney county, T. H. Curl, makes his announcement this week as a candidate for the office of assessor on the democratic ticket. Mr. Curl is favorably known all over Eastern Oregon and is one of the best qualified men for the position to which he aspires in Harney county. The gentleman recently underwent an operation in which his leg was amputated above the knee and is rapidly recovering. He had been a cripple for 30 years and had suffered much from the injured limb. The Times Herald does not hesitate to recommend Mr. Curl to the democratic convention as a clean, upright citizen, deserving of every consideration and who would make an excellent officer should he be elected. We move Tom Curl's nomination for assessor by acclamation.

The various western railroads are now giving settler's rates from the East and thousands of people are coming to the Pacific Northwest to make homes. Harney county through lack of transportation facilities will get few, if any, of these settlers, yet she has many inducements and opportunities to offer. It is not a place for men of no means just at present, nor does it require money of any great amount.

A market is the principal need and which it will have at no distant date. The impression or theory that nothing but steers, sheep, rabbits and coyotes will thrive in this section has long since been exploded. We have a climate that is ideal for such an elevation and what we do produce is first class in quality and quantity.

The announcement of H. A. Dillard as a candidate for treasurer on the republican ticket appears among the other aspirants for office in this issue. Prof. Dillard needs no introduction to the people of Harney county as he has been with them for many years. He established the Harney Valley Items here in the early '80's and has been closely identified with the business men of this section since. Mr. Dillard has been teaching in our public schools for the past several years, his health as well as a desire to have a little money in his pocket, compelled him to retire from the newspaper business. He is well qualified for the position of treasurer and would make an excellent officer.

The large increase in precipitation the past winter certainly justifies The Times-Herald's former assertions that climatic conditions are becoming more favorable each season in Harney valley. Diversified farming has passed the experimental stage and our people are now going at it with practical assurance of success. A railroad and market for our produce is all that is lacking at the present time.

The Times-Herald is arranging for correspondents in all the principal neighborhoods and post-offices in the county. These correspondents will be selected with a view of getting representative

people who will give our readers the local happenings in a good readable manner and who can be relied upon to give the news without reflections on any individual or cause any hard feelings.

The Times-Herald has received a letter from C. E. Lytle, general freight and passenger agent of the Columbia Southern R. R. in which he states he is preparing for a trip to our little city. He did not state just the exact date or whether he would come in an auto or not. We hope his visit will be beneficial to our merchants and shippers.

### REPUBLICAN CONVENTION APRIL 1.

At the meeting of the republican county central committee last Saturday evening it was decided to hold the primaries on Friday March 25 and the county convention on April 1st. The meeting was not largely attended by the committeemen from the various precincts, owing no doubt, to the bad condition of the roads.

The apportionment of delegates to the county convention was made on the vote for Furnish two years ago and each precinct is entitled to one delegate at large and one for every 15 voters or major fraction. The various precincts and will be entitled to the following number of delegates:

Burns 10, Harney 4, Drowsey 3, Curry 2, Diamond 3, Happy Valley 3, Alvord 1, Lake 3, Crane creek 2, Saddle Butte 3, Wild Horse 3, Poison Creek 2, Catlow 1, Pueblo 2, Warm Springs 2. The total number of delegates being 50.

There will be a contest for clerk in the republican ranks, there being three candidates. The other offices are being asked for by only one aspirant to each. No one has announced as yet for commissioner.

### "IN OLD KENTUCKY."

The manager of this great religious weekly can certainly recommend the play "In Old Kentucky" billed for Monday night by Mead's company. Although they will have to dispense with the horse race as well as "Queen Bess"—the building and stage not permitting—the people will be given some of the best comedy ever seen in Burns. It is not all comedy, however, and there are many startling climaxes. There are many opportunities for some heavy work in different parts. Don't miss this production as we are sure you will appreciate it.

### The Name Witch Hazel.

The name Witch Hazel is much abused. E. C. DeWitt & Co. Chicago, are the inventors of the original and only genuine Witch Hazel Salve. A certain cure for Cuts, Burns, Bruises, Eczema, Tetter, Piles, etc. There are many counterfeits of this salve, some of which are dangerous, while they are all worthless. In buying Witch Hazel Salve see that the name E. C. DeWitt & Co., Chicago, is on the box and a cure is certain. Sold by all druggists.
