The gentleman has returned to the John Day to arrange his business affairs so he can soon come back and remain permanently. He is highly recommended and no doubt will do a good business.

Prof D. W. Yoder, the gentleman who was elected as principal of the city high school, arrived in this city yesterday evening via Canyon.

Prof. Yoder informed the Times-Herald he expected school to open on the 5th inst., but the date has not as yet been definitely settled and will not be until the meeting of the high school board at Monday. He thought it possible that a delay might be caused on account of text books, which may yet have to be ordered.

We don't believe it, but it may be true.

Messrs. H. M. Horton, N. U. Carpenter and Chancy Cummins arrived home Thursday from their outing in the Stein Mountains. They all look well and report excellent luck. Some damaging reports have gained circulation regarding their exploits, but we had bank on Chauncy being capable of keeping the other fellows out of trouble.

Still Dock shows damaging evidence on his face—wearing a beautiful black eye, while Carpenter is somewhat evasive in his answers to pointed questions. We don't propose publishing any thing damaging to the character of these fellows for we have been bought off with a liberal donation of "jerky" and some very fine trout.
