ments in the stealing of the land which belongs to the people of the United states. And there is no citizen who may not desire to avail himself of his right to acquire some of this land, he or his son.

All the great land interests are a unit in their opposition to the repeal of these laws. They present a solid front. They are organized; they are aggressive and it is a sinister fact that they have thus far prevented any land reform legislation in congress.

But the country is becoming aroused to the fact that it is being literally robbed by a small band of selfish men who would amass fartunes, and who, by the evasion of the spirit if not the letter of the law, are absorbing the choicest remaining tracts of land which should be reserved for the rea home-maker.

Its value has been demonstrated by the dry season just ended at, it is eared, great cost to the stock and dairy interests of the Willamett Valley.-Oregonian.

\$3000 a Mile too Much for Auto Road.

A. E. Hammond, president of the Central Oregon Transportation Company, was in Prineville-Thursday last on his way out to Shaniko from Bend. When asked about the probable cost of grading a road for the autos running up to \$3,000 a mile, Mr. Hammond said the statement given out to that effect in the papers was not authentic. Mr. Hammond states that the average cost per mile for putting a smooth road from Heisler to Bend would not run above \$500. A railroad could be built, including purchase of the And the men in congress who right of way, grading and laying
