From inquiry at County Clerks office The Times-Herald finds that there have been fourteen hunters' license issued for this county. This seems a very small number considering the amount of game we have and the number of guns used. Local sports should remember about the license and secure permission in order to avoid trouble. It costs but little to comply with the law and saves possible trouble should a game warden show up unexpectedly. Mrs Geo Waters and little daughter were arrivals on last Sunday's O-B stage, returning from a visit to the fair. Mrs Waters met with quite a painful accident while enroute. The stage was turned over Saturday afternoon the other side of Westfall, throwing the occupants out, Mrs Waters falling in to a wire fence. She sustained a broken rib and several bad flesh wounds on the right arm caused from coming in contact with the barbed wire. The wounds were dressed temporarily and she continued her trip in the attending physician, Dr Geary, reports the lady doing well. He also informs us the wounds on the arm are not deep but rather aggravating. The little daughter escaped injury.

If there is anything that will make a person feel like staying away from Church it is to ride a MOWING MACHINE that will pull his horses to death and not cut more than half the hay. Try the Famous Walter A. Wood or a Milwaukee that the OREGON FORWARDING COMPANY has for sale at a less price than you can buy others for. They have the celebrated WOOD RAKE also, and are selling them at a correspondingly low figure as the mowers. Will not take time to tell you about STUDEBAKER wagons and buggies, in fact it is not necessary; everybody knows them. We are selling our SHELF HARDWARE and STOVES at half price, because we are going out of these lines, but not intending to close up business as our competitors would like to have us do. They say we "sell too cheap" and are demoralizing trade. That is our business. We will continue to do business at the old STAND and will not be undersold. Can not afford to buy back for you but will sell goods at the right prices. Bring your wives and daughters with you; we have just what they want, and we can beat anybody's prices on these lines.
