The Times-Herald learns from a reliable source that the people of Silver Creek have determined to at least do their part toward bringing about early construction work on the government irrigation project over there.

The Oregonian's Annual New Year issue seems to have been gotten up with little regard for accurate information in more than one respect, and especially in regard to the total area of unappropriated government land subject to entry.

The year 1906 promises to be one of great activity in the Harney country. Much work is being planned with a view towards developing the many resources, with a great influx of home seekers.

Last Thursday the local land office received telegraphic instructions from Washington to withdraw from entry townships 21, 22 and 23, range 36, and townships 22 and 23, range 37.

This tract is situated south and east of Drewsey on the South Fork of the Malheur River. The first three townships are in this county the latter two in Malheur county, near Riverside.

W. L. McGinniss, an attaché of the Asst Post Master General's office at Washington, spent yesterday in this city, leaving this morning for Ontario.

character of those making bids and to see that the provisions of the law governing the letting of contracts are complied with.

Mr McGinniss quoted a prominent financier as stating that one-twelfth of the entire wheat product was raised in Umatilla county in this state and the Yakima section of Washington, and yet the Harney country was capable of producing more than both of these sections.

Mr McGinniss told a representative of this great religious weekly that he was going to talk Harney Valley whenever the opportunity presented itself and if the opportunity did not come he would make it.

The High School Literary Society met again yesterday afternoon. The meeting was called to order by the president, George Greeley, at 2:30.

The program for the afternoon consisted of: Song by School Beautiful Bells Composition Agnes Sayer Vocal Solo Myra King Recitation Ivan Jackson Current Events Alice Swank Debate: Resolve that Nature is More Beautiful than Art.

Petition of Jasper Davis and others for a county road granted. Platt Randall awarded contract to expert the county records for the two years ending July 1, 1906 for \$200.

The petition of W. D. Baker and others to form a road district to be composed of Drewsey and Pine Creek precincts and the appointment of Felix Barkley as road master was denied.

THINK ASSASSIN IS ARRESTED.

The assassination of Ex-Governor Steunenberg at Caldwell, Idaho, last Saturday night has caused much comment and created much feeling against the Color d'Alene miners who are considered responsible for the crime.

The fourth day of the work of the officers engaged in running down the person or persons responsible for the murder of Ex-Governor Frank Steunenberg has ended with some progress having been made.

Where he has been since has not yet been traced, but he came to Idaho from Salt Lake. He shipped his trunk to Caldwell and then went to Bailey, following his trunks here later.
