ARE YOU EDUCATED?

Prof. J. Frank Miller, of Chicago University, declares that no one is really educated unless he can give an affirmative answer to these questions:

- 'Has education given you sympathy for all good causes?'
'Has it made you public spirited so that you look beyond your door-yard and take interest in a clean city?'
'Has it made you a brother to the weak?'
'Have you learned the proper value of money and time?'
'Have you learned how to make friends and keep them? Do you know how to be a friend yourself?'
'Can you see anything to love in a little child?'
'Can you look an honest man or pure woman straight in the face?'
'Will a lonely dog follow you in the streets?'
'Can you be highminded and happy in the drudgeries of life?'
'Can you be happy alone?'
'Are you good for anything to yourself?'
'Can you look out on the world and see anything but dollars and cents?'
'Can you look up to the sky at night and see beyond the stars?'
Now that you have read these questions, can you, for yourself, honestly answer them with yes? - Columbian Knight.

A WONDERFUL INVENTION.

It is interesting to note that fortunes are frequently made by the invention of articles of minor importance. Many of the more popular devices are those designed to benefit people and meet popular conditions, and one of the most interesting of these that has ever been invented is the Dr. White Electric Comb, patented Jan. 1, '99. These wonderful Combs positively cure dandruff, hair falling out, sick and nervous headaches, and when used with Dr. White's Electric Hair Brush are positively guaranteed to make straight hair curly in 25 days time. Thousands of these electric combs have been sold in the various cities of the Union, and the demand is constantly increasing. Our agents are rapidly becoming rich selling these combs. They positively sell on sight. Send for sample. Men's size 35c, ladies' 50c - (half price while we are introducing them.) The Dr. White The Dr. White Electric Comb Co., Decatur, Ill.
