AN OPEN LETTER.

To the Voters of Oregon. Greeting:—The undersigned submit to you a few of our reasons for asking you to ratify, by your affirmative votes, the Amendment granting equal rights to women, which has been placed before the voters through a petition numerously signed by the men of Oregon under the initiative and referendum.

This movement has grown under your management from the small beginning known as the Married Woman's Sole Trader Bill, enacted by your Legislative Assembly in 1873, until it has reached such vast proportions as to attract the attention of the civilized world. A Constitutional Amendment proposing women's enfranchisement, submitted to you in 1884, brought us an affirmative vote of 11,223. This Amendment was again submitted to your suffrages by Legislative initiative in 1900, bringing us a vote of 26,265. Although the population of the commercial centers had more than doubled in sixteen years, the "No" vote was only increased by 226, while the "Yes" vote was augmented by 15,042. This, to us, is a palpable arguement of the triumph which we confidently look to you to consummate for us on the 4th day of June by placing "X" between "302" and "Yes" on your ballots. Do this and you will honor our flag of truce, the only power we can offer in our defense against the balanced forces of the opposition. Do this, and you will honor Oregon, your mothers and yourselves.

And your petitioners will ever pray: Abigail Scott Duniway, Honorary President Oregon Equal Suffrage Association and State Federation of Women's Clubs. Mrs. Henry Waldo Coe, President Oregon Equal Suffrage Association. Charlotte Moffett Cartwright, Charlotte Woman's Pioneer Auxiliary Ass'n. Sarah N. Evans, President Oregon Federation of Women's Clubs. Esther C. Pohl, M. D., President Woman's Medical Association.

There is a dear little insect called the sage tick that in the spring especially does its part to keep things moving. It roams around the human anatomy with the abandon of a band leader and is an awful bore at times. The north ends of these cute little crawlers of the desert are fitted up with burly drills, while their legs sort of lovingly embrace their friends and keep them scratching while the drill is puncturing your cuticle. After the hole is drilled they shove their heads into it and begin having something with you. The scientists have a latin name for them which is 'Tibbiclickehell'—Burbury Bulletin.

Having sold the furniture business, C. A. Byrd will now turn his attention to painting and paper hanging and solicits a share of your patronage. He will also conduct a cabinet and repair shop. Fortunate Missourians. "When I was a druggist, at Livonia, Mo.," writes T. J. Dwyer, now of Grayville, Mo., "three of my customers were permanently cured of consumption by Dr. King's New Discovery, and are well and strong to day. One was trying to sell his property and move to Arizona, but after using New Discovery a short time he found it unnecessary to do so. I regard Dr. King's New Discovery as the most wonderful medicine in existence." Surest Cough and Cold cure and Throat and Lung healer. Guaranteed by Druggists. 50c and \$1 Trial bottle free.
