Tom Cleveland paid this city a flying visit Monday.

Dr. W. C. Brown, Dentist. Office in the new stone building north of the Post Office.

Richard Haines and wife were up from Narrows yesterday afternoon.

Dr. Maraden was slightly indisposed Thursday, but is again able to attend his duties.

R. A. Miller and wife were over from Drewsey this week on land business.

Ray Smith and family are again home from the Jenkins Bros. shearing plant.

Mrs. Tom Allen went up to Spring creek yesterday morning, to visit a few days with Mr. and Mrs. Lee Thornburg.

Look Out—Get the safety Incubator, now it runs without a lamp. See W. T. Smith about it, Burn Oregon.

Sylvester Smith was in the city a few days this week on land business. He was accompanied by his little son.

Geo. Craddock had his left leg broken last week, caused by a horse falling on him. It was a Pitt's fracture.

The Harney County Bank is a home institution, interested in the development of Harney County and solicits the business of Harney County people.

Judge Rector was in this city a short time yesterday, having come up to secure some repairs to his hay mowing machinery. He returned to the hay fields as soon as he secured the necessities.

W. A. Goodman has returned home after operating his sheep shearing plant through the season. He is well satisfied with the amount of work and the plant is most satisfactory.

The many safeguards we provide against possible error, supplementing the extreme care with which we always compound prescriptions, insure the positively accurate RIGHTNESS of all medicines prepared at Horton's.

Thos. Sewell took his departure for Burns Wednesday with a load of soda water from the McBean soda springs. The product of these springs is highly praised, far exceeding the famous Shasta water from California.—Blue Mt. Eagle.

Geary Cleyenger, the little son of Mr. and Mrs. G. W. Cleyenger, has been quite sick for several days. Upon the advice of Dr. Geary they have taken the little sufferer to the mountains leaving Thursday morning. Mrs. I. H. Holland took charge of the furniture store during Mr. Cleyenger's absence.

James Mahon paid us a brief visit during the week.

W. W. Drinkwater is assisting in the Chas. Wilson blacksmith shop.

W. D. Arnett was a business visitor during the week.

W. E. Trisch has been indisposed for several weeks, but is now improving.

P. H. Gray, the Lawren postmaster, was doing business in our city during the week.

Mart Branton and Andy Schoffner left this morning for the new gold strike at Pasho.

R. W. Hamilton and family now occupy the Newell residence adjoining the Overland hotel.

John Dorsey and wife are over from Drewsey on a visit to the latter's parents.

Geo. Smith of the Red Front Barn hurt his back during the celebration which has since laid him up for repairs.

G. W. Cleyenger, the furniture dealer, has some very fine imported linoleum, that should be seen by the housewives of this section.

G. O. Hendricks was up from Lawren yesterday securing extras preparatory to going into the hay field.

Choice Surprise Valley dry land alfalfa seed can now be obtained of Simon Lewis at the Burns Livery and Feed Barn, or at N. Brown & Sons in this city.

L. M. Brown of the Harney County Bank, is reported as doing as well as could be expected. It is "tough enough" to be well this hot weather.

C. B. Austus and wife were up from Lawren Wednesday making proof on some land. They were assisted by C. T. Miller and Fred Otley. The latter was accompanied by his daughter, Miss Mary.

Phil Smith has taken one of the sorrel pacing stallions from the Island ranch and will put him in shape for the races during fair week. The races promise to be the best ever held in Harney county, as the purses are the most liberal yet hung.

Alva Dore and wife returned from Burns last Saturday. Alva says the Fourth of July crowd at Burns was the largest ever seen in the city. The races, however, did not come up to the standard of the John Day races. Wade Hampton won the 3 mile dash on the Fourth. Eldred and B. C. Green also made good showings. Playing the races did not seem to be a popular pastime with the sage brush sports. John Day takes the biscuit when it comes to that line of business, and the average John Day valleyite had rather be a sport than a fried egg.—Grant County News.

The committee appointed at the last meeting recently to suggest by-laws and officers for a permanent organization of business men of this city, met Tuesday night, but not having had time to secure desired information the permanent organization was postponed. A meeting is called for Friday, July 20, at the city hall. The Times-Herald hopes every property owner in Burns will be at this meeting and help make it a success. We must get together and push for recognition of this section. We can do much toward the advancement of this valley by properly organizing. Remember the date, Friday, July 20, at the city hall.
