DO IT NOW.

Every Heart-Ache

Every pain in the breast, difficult breathing, palpitation, fluttering or dizzy spell means that your heart is straining itself in its effort to keep in motion. This is dangerous.

Some sudden strain from over-exertion or excitement will completely exhaust the nerves, or rupture the walls or arteries of the heart, and it will stop.

Relieve this terrible strain at once with Dr. Miles' Heart Cure. It invigorates and strengthens the heart nerves and muscles, stimulates the heart action, and relieves the pain and misery.

Take no chances; make your heart strong and vigorous with Dr. Miles' Heart Cure.

"I suffered terribly with heart disease. I have been treated by different physicians for my trouble without success. Finally I went to Memphis, who claimed that I had dropsy of the heart. He put me on a strict diet and compelled me to take his medicine. He came near making a finish of me. Some time before this I saw Dr. Miles' Heart Cure in our town. I saw my condition and recommended Dr. Miles' Heart Cure to him. He did not believe in it until my return from Memphis, when I concluded to try it, and am pleased to say three months later I am well again."
