Every Heart-Ache

Every pain in the breast, difficult breathing, palpitation, fluttering or dizzy spell means that your heart is straining itself in its effort to keep in motion. This is dangerous.

Some sudden strain from over-exertion or excitement will completely exhaust the nerves, or rupture the walls or arteries of the heart, and it will stop. Relieve this terrible strain at once with Dr. Miles' Heart Cure.

It invigorates and strengthens the heart nerves and muscles, stimulates the heart action, and relieves the pain and misery. Take no chances; make your heart strong and vigorous with Dr. Miles' Heart Cure. "I suffered terribly with heart disease. I have been treated by different physicians for 187 months without results. I went to a physician in Memphis, who claimed that I had dropsy of the heart. He put the X-ray on me, and in connection with his medicine he came near making a lunch of me. Some time before this a Mr. Young of St. Louis was in our town. He saw my condition, and recommended Dr. Miles' Heart Cure to me. I gave it little attention until my return from Memphis, when I concluded to try it, and am pleased to say that three bottles cured me." CHARLES GOODRICH, Dr. Miles' Heart Cure is sold by your druggist, who will guarantee that the first bottle will benefit you. If it fails, he will refund your money. Miles Medical Co., Elkhart, Ind.
