It was quite a disastrous fire, the loss being in the neighborhood of \$30,000. Ed Floyd had his face quite badly burned last Sunday afternoon from a shotgun bursting. He, in company with Frank Harrison, H. J. Hansen and others, went out shooting, using shells that had not been properly loaded. The young man did not see the fence at first owing to the dust, but feeling his knee getting cold he looked down to see what was the matter when his head came in contact with a fence post, knocking him unconscious from his seat. Dr. Geary was called to Sagehen where the accident happened and the wounded boy was brought to this city next day, Dr. Geary and Marsden dressing and sewing up the ugly cut which is right in the knee joint. So far the patient is doing very well and his physicians hope to bring him out with no lasting injury.
