The quick work and cool head of Jay Gould probably presented a serious conflagration at the Presbyterian Mause Christmas eve. In some manner a large Rochester lamp was knocked from a table while many of the young folks were securing their wraps after participating in the Christmas exercises at the church. The lamp was picked up by someone and carried toward the door but the bearer was so excited that the lamp was dropped. Jay ran in and threw his overcoat over it and just as he threw the lamp into the yard it exploded. No material damage was done.

CONTEST FOR GOLD MEDAL.
The Times-Herald stated in its last issue that Supt. Rigby and his associates on the board had arranged for a contest by the eighth grade pupils of this county for a gold medal at the regular examination and Commencement exercises in June. We have not been able to consult any of the board particularly regarding the contest, but in a letter Supt. Rigby states it will be in three different lines.
First, 33 1/2 per cent as perfect in daily attendance from the first day of January 1907 to the end of the school year, 33 1/2 per cent as perfect in scholarship or grade or highest percent on examination papers, and 33 1/2 per cent for best essay on "Harney County and its Future Prospects".
Nothing definite as to the number of words in the essay, no doubt it is left to the student as to the length of the essay. Pupils should begin preparation for this contest at once.

Our Annual January Clearing Sale
BEGINS WEDNESDAY, JANUARY 2, 1907.
The beginning of the end is at hand. Every year we have made it a rule to close out all goods in season regardless of immediate cost or loss. This Fall and Winter stock has served its purpose. We have enjoyed the best business in the history of the store. At times our patronage has been to the utmost in order to supply the demand.
A great many goods in this January Clearing sale will be sold at a direct loss to us. But we care not. This sacrifice must not be here when the spring goods come. As a whole we have made a fair profit, and supplied our customers at satisfactory prices. This 1907 January Clearing Sale will be a bargain event typical of the progressive methods of this organization, and we feel safe in saying that no such unusual opportunity for practicing your thrift will be offered you elsewhere in the city.
We have some Left-Over Holiday Goods which we are clearing out regardless of cost.
