Can it be that the Reclamation Service is going to use the same tactics in Klamath that caused the people of Malheur county to protest and the final abandonment of the project?

The following is a press dispatch under a Klamath date line: The Klamath Water Users' Association has been notified that the board of engineers which visited the Klamath project October last has arrived at the conclusion that it would be necessary to leave out of the Klamath River project the bottom of the Lower Klamath Lake, an area of approximately 46,000 acres.

The board of engineers, through Supervising Engineer D. C. Henry, have also given the Water Users' Association the information that, owing to labor conditions and an advance in the cost of materials, the work done up to this time has cost 35 per cent more than the estimated cost.

The Times-Herald, the Republic and any one of the following papers one year for \$3.00 if paid this month: The Semi-Weekly Oregon Journal of Portland, the Weekly San Francisco Examiner, Thrice-a-Week New York World.

The Times-Herald has decided to make this a bargain month and offer some exceptional clubbing rates. To all who pay their subscription one year in advance during this month we will send the Twice-a-Week Republic of St. Louis, an entire year free.

Hereafter long distance telephone connections will be made direct with Baker City instead of Sumpter as it has been formerly. This will greatly facilitate matters here and render the service much better than it has been.

Half the World Wonders how the other half lives. Those who use Bucklen's Arnica Salve never wonder if it will cure cuts, wounds, burns, sores and all skin eruptions; they know it will.
