You should buy them from the

**OREGON NURSERY COMPANY, TALEM, OREGON**

**BECAUSE**

1. This is a responsible firm.
2. Their trees are all budding stock.
3. Their trees are grown in shade-root seedlings.
4. Every tree is examined—individually—before being accepted for shipment.
5. Their prices are the same to all.
6. Their shipment to this section last fall was the finest lot of trees ever received here.
7. Their representative—A. F. B. George—is a resident of Harney county; a man of business integrity and well known to you.
