SMITH & SWEET'S, Real Estate Office

The Times-Herald has just received the most complete and elegant line of Job stock ever brought to Harney county. When you need printing call and see.

Geo. Smyth and wife have been up from Andrews the past week to look after their interests in the suit with Wm. Huffman for the possession of some valuable land.

J. J. Tupker has a 3-horse power gasoline engine in operation at his establishment. Those who wish to see one run and find what it can do may see a practical demonstration.

Nollie Reed has taken a position in the City Drug Store. We understand Mr. Jackson, who has been in the store since last fall, will soon take up his residence on his farm near Lawen.

Job printing--The Times-Herald Fred Haines was over from Harney on business the first of the week.

You can buy a Jones chain mower and rake for \$85 at C. H. Voegtly's.

Frank Griffin has just arrived from outside points. He spent the past winter in Ontario.

Dr. W. C. Brown, Dentist. Office in the new stone building north of the Post Office.

H. C. Whitworth left yesterday on a business trip to Harney county. --Ontario Democrat.

I am selling out my Jones chain mowers and rakes--\$85 while they last. Get one now--C. H. Voegtly.

Robt. Gilcrest was in the city a few days during the week. He has gone to the Jenkins Bros. ranches to work.

Mrs. Drinkwater's new Millinery, trimmings, etc., personally selected stock, is now on display. Ladies should call at once.

Mrs. C. A. Sweek returned home Thursday from an extended visit to her daughter, Mrs. Ed Southworth in Bear valley.

H. M. Horton came down from the saw mill Thursday. He is spending much of his time up at the mill during the busy season.

J. A. Fanning is up from Dog Mountain looking after the office work of Archie McGowan during the latter's absence on business in Portland.

Lost--A white Russian wolf hound by James Mahon. He would appreciate any information leading to its recovery. Leave word or bring the dog either to this office or James Hicks at the Brewery saloon.

J. H. Loggan was over from Harney the first of the week on a visit to his son Assessor Loggan. He has recently been appointed postmaster at Harney and will build him an office at once we understand.

W. G. Hodder one of our new homesteaders at Dog mountain, arrived home from Pendleton last Saturday accompanied by his family. Mr. Hodder and his sons came here last fall and they all took land. His wife and daughter remained in Pendleton where Miss Hodder graduated from the high school the first of this month.

Ras Lewis and wife arrived here yesterday from Crook county and are the guests of friends. Mr. Lewis had been breaking horses over at Prineville, but was unfortunate. He was kicked on the left arm by a horse four weeks ago which broke the bones necessitating a lay off. Ras is one of the most successful and thorough horse breakers in the west.

Job printing--The Times-Herald Wm. Russell and family are over from Harney.

Onion sets at Voegtly's. 15 cents per pound while they last.

F. Crowley was a business visitor one day this week.

W. A. Hopkins was up from the lake district Wednesday.

Born--To Mr. and Mrs. H. Hotchkiss last Friday, June 21, a son.

Jones chain mowers and rakes \$85 while they last at C. H. Voegtly's.

Frank Nichols and family have gone to Walla Walla on a short business trip.

For Homestead Locations see M. FitzGerald the pioneer Land Locator of Harney County.

Roy Bunyard and Ross Goodlow were down from the saw mill Monday to look after some land matters before the local land office. They were accompanied by their wives.

Geo. Shaw and wife took their departure Monday morning for Halsey, Linn county, where they will reside for the present. Mr. Shaw took about 70 head of horses over, which he will place on the market.

John Thomsen of the Red Bay mine and the Fremont Power Co. in Baker county arrived here Monday. He has gone out to the Stein's Mountain section for a few days. Mr. Thomsen has been wanting to see the Harney country for some time and availed himself of the first opportunity. He is well pleased with its magnificence and as his company has a great electrical power plant, he sees possibilities of doing something with it by putting a line through to transmit the juice.

Sunday, a valuable race horse belonging to Henry Richardson, and brought over from Condon by Volney Officer this week died at the fair ground stables last night. He took sick yesterday morning and Dr. Geary was taken to the stall to try to do something for him, but he failed. The horse acted very peculiar and seemed to suffer intense pain. None of the horsemen or the Doctor had ever seen a horse act as he did. Sunday was a fine racer and made his maiden effort over the Burns course. He had been raced throughout the circuit, including Seattle and other points and was capable of going in fast company. He seemed to be sound as a dollar without a blemish. Mr. Officer speeded him a short distance yesterday morning and is under the impression that the horse may have hurt himself internally which caused his death.
