

Announcement

Our business has increased to such an extent during the past year that we find it necessary to make new arrangements for its proper care. We have consequently secured the services of Miss Davey, formerly official stenographer to Hon. Frank W. Benson, Secretary of State, who will especially assist in the management of this bank in handling our out-of-town business. We are now prepared to perfect our

Banking by Mail

system so that it will not be excelled by any other banking institution in Oregon. Every communication received will be answered promptly and all business entrusted to us by mail will receive the personal attention of an executive officer of this bank.
