AULIAN HYDE - - - - - Manager

The Times-Herald is gratified to learn of the big yields of grain throughout the Harney country this season.

The supreme court has declared in a recent decision that the referendum petitions against the anti-pass bill, the regulation of sheriff's fees in boarding convicts and the state university appropriation bill are valid and they will be submitted to the voters at next spring's election.

The court will this afternoon appoint Hugh Harris county fruit inspector. This has been desired for some time by both the court and many who are interested in horticulture.

It seems from press reports that the session of the irrigation congress held at Sacramento the first of the week was quite lively and not the "cut and dried" program that has characterized the session.

PUBLIC SCHOOL TEXT-BOOKS.

The following is the list of the new text-books to be used in the public schools: Graded primer, author Wheeler; exchange price 10c, retail price 25c.

quicksand. At one time the drill struck a cavity and dropped 15 or 20 feet without seeming resistance and the casing was carried down the same distance by its own weight.

LATER - A phone from Harry Cary to this office yesterday said the well had been sunk some deeper and that the water has risen to the surface but was not flowing out.

This is good news to many people of this section and is of particular importance. Should a strong flow be struck at such a depth it will be a great boon to the Harney country.

COUNTY COURT PROCEEDINGS.

County court has been in session since Wednesday but few of the journal entries of the proceedings have been given the clerk for record.

The petition of W. C. Brown for a road of necessity was granted.

Mrs. Winters appointed junior for the high school.

R. W. Hamilton awarded contract to keep the county poor for a year.

Report of E. Olson supervisor of road district No. 3, accepted approved.

Dr. W. L. Marsden continued as county physician.

The petition of F. O. Jackson and 25 others for a road up the river was dissolved, a remonstrance having been filed with 41 signers.

Periton for a road known as the Greenhouse road filed and road ordered reviewed.

P. A. Hyde is a man that can be depended upon to back up his community under all circumstances.

Mr. Hyde is a resident of Sage Hen but is over here temporarily cutting stone for the Harney County National Bank.

Yesterday he was seen to be laboring under great excitement and when asked the cause exclaimed: "Sage Hen against the world! Dave Savage's whole field of wheat produced 62 bushels to the acre!"

He went on without answering the question as to the number of acres Mr. Savage had, but The Times-Herald man accosted Dr. Brown and found Dave had two acres of wheat. Well it's a good yield anyway only there should have been more of it.
