IT IS BE SUNSET VALLEY.

The Times-Herald is told by a prominent resident of what is known as the Dog Mountain neighborhood that the people there desire the name changed and to henceforth be known as "Sunset Valley". They don't appreciate Dog Mountain and think the sooner it is changed the better. It is understood the settlers there will soon apply for a postoffice and by suggesting this new name for it the old time name will soon be forgotten.

Just how this section got the name of Dog Mountain is not known to the writer and the fact is it does seem far fetched and while that is a part of the Harney Valley proper we see no particular objection to Sunset Valley to designate it or for the name of the postoffice.

This calls to mind the recent suggestion of some of Portland's residents to change the name of Bull Run which has caused much comment throughout the state. The Portland papers were besieged with suggestions from their readers, some approving the old name while others desiring a change.

This great religious would, of course, record any kicks or approval of the change of Dog Mountain to Sunset Valley, but hopes that since this is the name residents of that section desire, it will be left alone.

To have a Checking Account at the Bank is Not a Hobby

THERE IS REASON IN IT. IT IS WISE AND IT PAYS.

You can pay your bills by checks, which we return to you. Each check is a receipt in full for every dollar you pay out.

Your check book shows just where your money went. This is a good system of book-keeping. You can have your bank book balanced at any time. It should be balanced at least once a month.

Some times your memory fails you—you forget whether or not you paid a certain bill. If you keep a checking account and pay your bills by check, you can turn to your checks—they will show the bills you paid, the date and the amount.

Upon application we mail you free a Signature Card, Deposit Tickets and Check Book.
