Holloman performing the ceremony in the presence of a few friends. Both are well known young people of Silver Creek, the bride being a daughter of Mr. and Mrs. W. B. Johnson, a very sweet little lady who is quite popular. The Times-Herald joins a host of friends in extending best wishes.

Adam George has for sale cheap over \$160,000 worth of real estate, improved and unimproved. The cream of Harney county. Some tracts are actual snags. Terms on most of it to suit purchaser. Adam had 41 soil tests made in as many different localities of the county. Every section is known to him. He can suit you if you only make your wants known. He can direct you to some of the best vacant land to be had. Address him at Burns or Lawton Oregon.

R. W. Jones is again greeting old time friends in this city, having just returned from California where he has been since leaving here several months ago. He states he had been having a good time up to a few weeks ago when he decided to return to old haunts in the Harney county but upon application at the bank for a little of his money in order to come he found he couldn't get it. They would furnish clearing house certificates but they weren't good for railroad fare. The banks would finally allow \$5 in cash on checks so Mr. Jones used clearing house certificates to pay for his meals and drew money from day to day until he had sufficient to pay his expenses to Burns. He visited a local bank here yesterday and found business conducted in the same old way, therefore he has made up his mind to stay here. Mr. Jones was formerly in partnership with F. J. Williamson in the sheep business.

Commissioner Stallard came over from Drewsey Thursday to assist his co-workers in disposing of some business at an adjourned term of court.

The New Windsor Bar, under the management of Lee Caldwell, is one of the most popular resorts in Eastern Oregon. Drop in when you have a thirst.

Dr. J. W. Geary was called to Suplee last Saturday to see Mrs. Gus Delore. The patient died before he reached her on Sunday. She was about 27 years old.

Geo. Miller, a young man that has been helping Austin Goodman with his wood-saw, had the misfortune to get his hand caught in the saw Thursday and lacerating one finger severely.

FOR SALE OR RENT—A photograph gallery doing a good business. Reason for sale I have other interests demanding all my time.

J. H. McMULLEN, Burns, Oregon.

A case of scarlet fever made its appearance in the home of Mr. Harmer this week and Dr. Geary was called. The place has been quarantined. The family recently arrived here from Hepner.

If you plant but one fruit tree have it the best—the best is none too good. You can procure the best for this altitude from Adam George. His company takes all responsibility and will replace. All trees warranted true to name.

A. L. Frazer, judge of the juvenile court in Multnomah county, died last Tuesday from the shock of an operation for appendicitis. He was a very able jurist and had been on the circuit court bench in that county for a number of years. Deceased was a native son and most highly respected.

The First National Bank of Burns has just received telegraphic advice from the Acting Secretary of the United States Treasury of authorizing an increase in deposits of government funds in that institution from \$25,000 to \$50,000. Another substantial recognition of its stability.
