A Check Account avoids the risk and trouble of making change.

YOU can write a check the exact amount you wish to transfer—\$1.00 or \$1.00—any amount. You do not need to have change in your pocket, nor does the other party have to change the money you hand him.

THE risk of error in making change is entirely eliminated when you pay by check. Should you overpay with a check, you have recourse. The check shows plainly the amount paid.

Pay by check—you can save time and trouble
