Dr. L. V. Smith of Drewsey reports two bad accidents over there recently. Archie Wilson, one of the stage drivers, was severely cut on the head by the stage turning over with him. Several bad scalp wounds resulted and came near bleeding to death before assistance reached him. A day or so later A. J. Powell, a traveling representative of Fairbanks Morse Co. was very severely burned while on the stage. It seems he and the stage driver were using a lighted lantern with which to keep their feet warm and the lantern must have turned over and exploded, setting fire to the robes and their clothing. Before they could extricate themselves from the robes Mr. Powell was frightfully burned. He has been under the care of Dr. Smith since.
