JULIAN HYRD - - - - - MARRIED

Ontario's first "Market Day" is reported a great success.

The announcement of Geo. A. Smyth, as a candidate for the office of county commissioner, appears this week.

Never growl because a newspaper fails to give every scrap of news, so long as you take no pains to give the information.

If there were any possible way to expedite the matter of the appeal of the Harney Valley Improvement Co., from the recent decision of the General Land Office to the Interior Department upon the Carey act segregation in this valley it should be done.

As numerous friends have insisted that Sam Mothershead again be a candidate for the office he now holds, he has consented to allow his name to go on the primary ballot.

The candidate register at the County Clerk's office shows the following names that will appear on the primary ballot:

- REPUBLICANS.
Clerk—C. W. Drinkwater, A. W. Gowan.
Sheriff—W. Y. King.
Assessor—J. J. Donegan, Platt T. Randall.

School Supt.—A. E. Millard, L. M. Hamilton, Chas. Newell.
Commissioner—Geo. A. Smyth, E. P. Sylvester.
Coroner—J. W. Geary.
Surveyor—A. O. Faulkner.
DEMOCRATS.

School Supt.—J. I. Cavender.
Commissioner—J. P. Withers.

HIGH SCHOOL LITERARY.
The meeting was called to order by the president, after the roll call and the reading of the minutes the following program was rendered:

Aff. Leon Johnson
Neg. Cecil Irving
Chester Mace Ethel Brown
Ed Egli Clarence Young
The debate was decided for in favor of the negative.

NEWS FROM MALHEUR PASS.

Every body in our Valley seem to be busy. Some cutting sage brush, some plowing and several new buildings going up.

It seems like Oklahoma has a claim on this section as a good many are coming in and taking up land. An Oklahoman knows a good thing when he sees it.

A. B. Bennett's folks have arrived. They bought teams at Ontario and drove through. Two of the boys took claims and are now busy cutting sage brush and plowing.

Eld Queer and Bert Phillips, a son-in-law, have also come in from Oklahoma and took up land and they are crowding things, having built a house and dug a well.

Also Chas. Bradley, a son-in-law of Eld Fritch, has just come in from Oklahoma and took a claim.

We now have about 24 school children in our settlement and a school district is on foot now, also petitions are posted for a county road through our Valley and a move is on foot for a stage line and Post office. All are badly needed as about all the land is taken up and it is hoped that it has been taken for actual settlement and not for speculation.

Palmer and Gillon are hauling lumber to build.

LOCAL AND PERSONAL.

Robt Irving is over from Harney.

Jake Cary was up from Lawen Tuesday.

Wm. Dunn is up from his home near the lakes.

Freighters are beginning to bring in spring goods.

W. B. Parker and wife are over from their Warm Springs home.

Grant Kesterson is over from Diamond after his family. They expect to leave tomorrow morning.

640 acre ranch for sale suitable for dairy or stock ranch. Abundance of water for irrigation and power—inquire at this office.

Guy Shaver and father are in from Welcomeville after seed eye. They are nearly through the spring seeding out there.

Eldon Johnson has returned from Plush, Lake county, bringing back the horses which Wm. Pollard is charged with stealing.

Albert Oakerman has been over from his Silver Creek home this week looking after some business and having some dental work done.

According to the advice of the Attorney General of Oregon candidates for delegates to the state conventions of political parties cannot be placed upon the primary ballots to be voted on April 17, therefore they must be chosen in some other manner.

Will Cummins and wife arrived here the first of the week from Boise City where they spent the winter. Mrs. Cummins will remain here for some time visiting with relatives, but Will will return to Malheur county to look after his sheep. Mrs. Cummins' daughter, Miss Drusa Dodson, remained in Boise.

J. M. Henney, one of the base ball enthusiasts of the Sunset Valley team has been in town for a few days. He has persuaded some of our boys to go down tomorrow and have a little ball tossing at Sunset. He informs us that teams will leave both livery barns here tomorrow morning and any who want to go should be on hand at either barn.

Harry Cary informs us that the Hayes Bros. have purchased an interest in the mercantile firm of Sitz & Cary at Lawen. This will make a change in the business, not in the active management, but a larger stock will be carried and the long time credit method changed to a cash basis. This establishment enjoys a good business and is the trading center of a large area. The new members of the firm will

A. Horton.
J. T. Garrett and wife are now residing on their farm up the river.

J. E. Shearer of Rockford, Wash., is one of the late arrivals here looking for real estate investments for himself and others.

S. E. Godlove has gone to his land holdings to superintend some improvements. Mrs. Godlove and daughter will remain here until the close of school when they will join him.

Adam George has 21 quarter sections of grain land. Tracts from 160 acres up to 640 acres. This is not 65 bushel per acre land, but 45 bushels. Stock ranches from 620 up to 4050 acres. All well watered no holding of water, ranging in prices from \$10 to \$27.50 per acre.

The fact that practically all the vacant government land in Oregon is in the Burns land district is bringing results, as large numbers are constantly arriving here looking for land. This should be impressed upon all who write here for information regarding the west.

A. M. Stafford, who with his son came here last fall from Kansas and invested in land, arrived here from the east this week to look after some land business. Mr. Stafford has two sons and a daughter located near the lakes and all are well pleased with the country. He will leave again next week but expects to return again about September with his wife to reside permanently.

Messrs Chas. V. Reed, W. R. Dawson and E. C. Eggleston took this office by storm last Tuesday afternoon. They were not violent as our remarks would indicate, but simply proposed that the boys get together here next Friday afternoon, choose up sides and have a game of base ball so as to put the whole bunch in shape for the Sunset Valley school benefit dance to be held at Lecher's hall that evening. Local boys were found willing, therefore there will be a game on the local diamond Friday afternoon between teams chosen from all the boys who may be present.
