A car of John Doere plows and harrows. The best and only real implements in the world, at C. H. Voegtly's. These are not consigned goods, but bought for cash. Buy here and save the middleman's profit.

Owen Cawfield, son of Mr. and Mrs. J. O. Cawfield had the misfortune to fall from the court house fence Sunday afternoon causing a serious fracture of his leg. Drs. Marsden and Griffith were called at once and he is now doing very well.

G. W. Clevenger has some of those fine new cold rolled refrigerators and is so confident that they will give entire satisfaction that he offers to let prospective buyers take them on trial for a week. If not satisfactory they may be returned without cost.

"Tex" Byrd came in from the desert the first of the week for medical treatment. Several weeks ago "Tex" and a companion explored the famous ice cave out on the desert. He fell and broke the globe of the lantern and soon after stumbled in the darkness and fell on a rock, severely cutting his elbow clear to the bone. He did not give the wound any particular attention and later hurt it over again while working with horses. His physicians found it necessary to open the wound and scrape the bone which had been injured.

Paul S. Black of the contest department of the general land office spent Thursday in this city looking over the records at the local office. He found the work all up to date and had nothing to do, therefore took his departure the following day for other parts.

J. C. Sevelk was up from his land holdings near the lake this week. Mr. Sevelk states that the big pump recently installed by himself and associates to raise water from the lake with which to reclaim land does very satisfactory work. He further says that everything he has put in the ground down there is growing.
