CLARENCE EYER - - - - - Manager

The freezing weather this week was most unfortunate for the fair and it was unexpected and caught many very beautiful flowers as well as tender vegetables that would have added greatly to the attractiveness of the exhibit.

BUSINESS HOUSES WILL CLOSE.

All the business houses of Burns have signed an agreement to close during fair week from 1 o'clock until 4 o'clock each afternoon with the exception of one. The management of the fair certainly appreciates this and as the fair board has not asked for any other concession from the citizens of Burns other than their good will and liberal attendance.

BALL TEAM TO BURNS.

Canyon City will send a baseball team to Burns next Monday to play the Burns team for a purse during the fair, which will be in progress next week. The team that will represent Grant county will be composed of the following ball tossers: Roy Spears and Ed. Keeney of Long Creek, Frank Bowman of Monument and Jake Blank, Jack Stevens, Elmer Overholt, Denver Leedy, Earl Dustin and J. Taylor.

LOCAL AND PERSONAL.

Painting and paper hanging - A. Horton. Moving picture show at the Star Theatre every night. New material has been received. See the announcement of the Harney County Implement and Hardware Co. in this issue.

The Baptist Ladies Aid will serve luncheon and ice cream during fair in the A. George office near the Harney County National Bank.

A. B. Mason was looking after some business connected with one of the banks in Portland this week he was greeted by many old time friends while here and left for home Thursday morning.

A regular meeting of the city council was held Wednesday night. Mayor Brown vetoed the ordinance reducing the salaries of the recorder, marshal and treasurer and the council passed it over his veto.

E. D. Wetmore, an experienced band and orchestra leader who formerly led the O. A. C. band at Corvallis, arrived in this city yesterday afternoon and will have charge of the band here during fair week. Mr. Wetmore is personally known by some of the band boys here and they are delighted to have him with them during the week and arrangements may be made during his stay to secure his services for the winter. He is looking for a business location and if the city offers an opening for him it is possible he will remain permanently.

R. A. Cowder, of Chicago, was here during the week ending Thursday for Denio where he will at once begin operations in the old Pueblo mine, situated two miles across the Nevada line. There is one shaft 250 feet all the way in ore and 300 feet of tunnel and drifts of that. Mr. Cowder will move the 5-stamp mill and trucks to a more convenient part of the mine and begin development work. He will from time to time furnish The Times-Herald with notes of the progress of the work. This is no doubt of them being rich ground in that district which extends on into this county and it will one day - and that soon - make the entire world sit up and take notice.
