

RESULT OF BOOSTING.

One of the things very noticeable in Oregon to a new comer, especially in the newspapers, is the freedom from jealousy of one locality over another.

There is no ridiculing the pretensions of one locality by another. No disparagement of one part of the state by the others. There seems to be a spontaneity in this regard.

If a stroke of good fortune comes to some particular locality, the entire press of the state rings with exultation. The big apple in Hood or Rogue river or Coos Bay gets as wide and favorable mention as does the probability of a railroad at Tilmook Coos Bay or Lakeview.

All this counts with outsiders, and as a result Oregon is today one of the widest known commonwealths in the American Union. It has set people to thinking of the state, its productions its opportunities for a home and business.

Bees Laxative Cough Syrup always brings quick relief to coughs, colds, hoarseness, whooping cough and all bronchial and throat trouble. Mothers especially recommend it for children.

The Times-Herald office has just received the finest assortment of stationery it has ever had. Its patrons will have the very best in that line as they always have had.
