How one Doctor Successfuly Treats Pneumonia.

"In treating pneumonia," says Dr W J Smith, of Sanders, Ala., "the only remedy I use for the lungs is Chamberlain's Cough Remedy. While, of course, I would treat other symptoms with different medicines, I have used this remedy many times in my medical practice and have yet failed to find a case where it has not controlled the trouble. I have used it myself, as has also my wife for coughs and colds repeatedly, and I most willingly and cheerfully recommend it as superior to any other cough remedy to my knowledge." For sale by all good dealers.

There is a large responsibility resting on humanity to make the best of ourselves. There are cows that are worth $3,000; some hens worth $150; dogs worth from $100 to 500;but there are men and women who would be dear at half the price enterprising individuals are paying for these quadrupeds.

AUCTION

I will hold regular auction sales on the first and third Saturdays of each month at the C. A. Sweek barn in Burns. Bring in anything you have for sale and get your money for it. Special attention given to sales in the country.

NEW CLUBBING PROPOSITION

We have arranged to offer in connection with this paper, the new monthly farm magazine just started at Lincoln, Nebraska, by Prof. H. W. Campbell and devoted to the subject of how to farm in the dry country and how to get best results from soil tillage under normal conditions. This Paper is Campbell's Scientific Farmer and we offer it clubbed with The Times-Terald both for $2.50 per year cash. Prof. Campbells' new paper is a monthly, chock full of good things, the only paper of its kind in the world, and it embodies the results of the editor's many years of painstaking investigation of the soil tillage proposition.
