Our Banking Methods

Will please you: The result of doing business in a businesslike manner is shown in our continued steady growth. If you are not a patron of this bank, why not become one? We give the same courteous treatment to the man who deposits \$10.00 as to the \$1,000.00 customer. In fact we would rather have one hundred small depositors than one large one covering the same amount. But be your business large or small, remember that at this bank it is regarded as Strictly Confidential.
