THE BOSS IS HOME. The "boss" returned just before going to press but too late to give the readers any particular report of his conduct. He may have something of interest next issue. He came in on the automobile in company with Mr. and Mrs. Wm. Hanley and Hon. W. H. Brooke. Mr. Ford acted as driver and is certainly an expert and a man who understands his business. The party left Vale yesterday morning and came by way of Skull Springs and Crane Creek in order to make a comparison of roads with the purpose of establishing a route for Mr. Ford's machines which will be in the near future begin a regular schedule for the convenience of the traveling public. The Times-Herald man can certainly recommend Mr. Ford and hope to see his business a success. The matter of constructing a good and permanent highway jointly by Harney and Malheur counties will be given notice next week. Of course there were incidents and mishaps of the trip in generally experienced by autos on new roads and first trips but these experiences were necessary in order to assure good service in the future. This we may confidently expect and the auto line will not only be a convenience to local people giving them a one day trip to the railroad but will attract many people to our county who would not otherwise attempt the trip.

Customers Who Hang On.

A bank's customers who remain with it year after year brand that bank as good. The fact is an indication that it will be a good bank for YOU.

Steadfast customers are satisfied customers, which means that the bank renders good service, not only good service now but it shows also that past service was good. Past and present good service are conclusive pointers to good, future service.

We point with pride to the names of a large number of our present customers whose names have been carried on our books since the bank was organized years ago.

We are also pleased to note that the names of our present customers have remained on our books constantly since their first transactions with us.

And again, we congratulate ourselves that new customers are constantly being added to the number of the bank's patrons, and from the past records of our customers, we have every reason to believe that these new names will remain with us.

We shall render YOU this same satisfactory service for what ever business you may give us and as long as you wish to receive the benefits.

A Savings Bank Department is a feature of this Bank, in which interest at the rate of four per cent per annum is allowed.
