Salisbury fixes watches P.O. block.

DID YOU KNOW
That two flows of natural gas under an enormous pressure have been developed in Harney Valley?
Did You Know that the visible indications point to Harney Valley as being underlaid with one of the greatest deposits of light gravity oil in the world?
Do You Know what that means to Central Oregon? It means railroads and the development of all the resources of this great inland empire.
Do You Want to share in the enormous profits that await those who first tap this immense pool of oil?
The Harney Valley Oil & Gas Co. offer you this opportunity. With stock selling at 5 cents per share (par value \$1.00) it is an opportunity unparalleled in the history of oil development. We will gladly answer any and all correspondence. Address
Harney Valley Oil & Gas Co., Burns, Oregon.

"The best Range brains and experience have ever produced."
"QUICK MEAL" STEEL RANGES

THEY ARE BETTER BECAUSE:
They are built on scientific principles and the material used is so distributed as to do the most good.
They are just heavy enough to be good, durable and lasting.
The strengthened parts are those where the most wear is.
The walls are asbestos lined.
They are made of steel, so consequently they are strong and cannot crack.

Management by Men
Strength in any bank is determined by strong resources, ample cash reserves, sufficient capital, a growing surplus and an honorable record of service to the people.
It is vitally essential that the men who manage the bank of your choice be men of character and experience in business; able and possessed of good judgement.
A bank with such men behind it who really take an active part in the bank's management, furnishes each depositor the best guaranty.
We invite your consideration of the management of this bank.
A Savings Bank Department is a feature of this Bank, in which interest at the rate of four per cent per annum is allowed.
