

INDUSTRIAL NOTES.

(Portland Correspondence).

No less than 25,668,670 people throughout the United States will have their attention drawn to Oregon as the land of opportunity during the coming three months by a great advertising campaign to be conducted by the Portland Commercial Club. The leading agricultural papers and the weekly editions of the big dailies will be used. There is no question that the campaign will direct the movement of thousands of people to this state. The advertisement will carry the familiar oval, with the slogan, "Oregon Is the Place For You," in large letters, and those at all interested are urged to ask for literature and information about Oregon. The advertisement informs the reader that railroad rates are the same to all parts of Oregon from the East and Oregon Commercial bodies will be supplied with addresses of all enquirers so that the whole state may profit by their advertising, although Portland will bear all the expense. There is probably no other city in the world that has done a like thing.

It is urged that all get in line for this valuable publicity. People from the East who ask about this state should be answered promptly and fully by every commercial body. In this way, it is believed, very great benefits will follow for all Oregon.

This is the more important now that the colonist rates for this fall have been decided upon by the railroads. Reduced one-way tickets will be sold to all Pacific Coast points from the East and Middle West for colonists and home-seekers who desire to settle here. The advertising campaign for settlers will be well supplemented by these attractive rates to settlers.

Secretary Ballinger of the Department of the Interior is visiting Oregon irrigation projects this week. It is the intention of the Secretary to make a close inspection of Northwestern projects in company with reclamation engineers. After going over part of the state irrigation districts, Secretary Ballinger and his party were entertained at luncheon today at the Commercial Club.

President Taft will visit Oregon this fall. He will come in October and will make stops at Portland and other cities of the state that his itinerary will permit. The President has accepted the invitation of Senator Bourne to be his guest while in Portland.

New record prices were reached in the hog market at Portland during the past week. Last Thursday hogs advanced to \$9 per 100 pounds, this being the highest value ever recorded within the memory of the trade. A shipment of 77 hogs from the Willamette Valley received this attractive figure. The hogs averaged 194 pounds each and brought the unusual price of better than \$16.55 each.

DON'T KICK.

If the real earnest workers for the upbuilding of your city come to you for aid in the work, don't growl they are giving their time, their money, says the Weiser Signal. They are giving more money than you are, and are working for the good of the city, your good as well as their own. Don't treat the members of a financial committee from the

Commercial club as you would a bad debt collector, the members of the committee have your welfare at heart. It is easier to chill the enthusiasm of honest, loyal workers, than it is to kindle their zeal. Give them your support. Don't pick their work to pieces. If you can improve on it, take off your coat and help boost. If you'd work as hard as you kick, some of you would be veritable giants in municipal boosting.
