DO YOU WANT PROTECTION FOR YOUR FUNDS? If so, we invite your banking business.

THE NATIONAL BANKING LAWS require each National Bank to transfer a part of its earnings to its Surplus Account until such Surplus equals 20 per cent of its Capital. This is for the protection of the bank's depositors.

THE SMALL DEPOSITOR is entitled to the same protection as the larger one and receives the same careful consideration at our hands.

IF YOU ARE NOT a depositor with this bank, we invite you to become one and share the protection and services offered by our institution.

DID YOU KNOW

That two flows of natural gas under an enormous pressure have been developed in Harney Valley?

Did You Know that the visible indications point to Harney Valley as being underlain with one of the greatest deposits of light gravity oil in the world?

Do You Know what that means to Central Oregon? It means railroads and the development of all the resources of this great inland empire.

Do You Want to share in the enormous profits that await those who first tap this immense pool of oil?

The Harney Valley Oil & Gas Co. offer you this opportunity. With stock selling at 5 cents per share (par value \$1.00) it is an opportunity unparalleled in the history of oil development. We will gladly answer any and all correspondence. Address Harney Valley Oil & Gas Co., Burns, Oregon.

A GOOD POSITION can be had by ambitious young men and ladies in the field of "Wireless" or Railway telegraphy. Since the 8-hour law became effective, and since the Wireless companies are establishing stations throughout the country there is a great shortage of telegraphers. Positions pay beginners from \$70 to \$90 per month, with good chance for advancement. The National Telegraph Institute of Portland, Ore., operates six official institutes in America, under supervision of R. R. and Wireless Officials and places all graduates into positions. It will pay you to write them for full details.

NOTICE.

All parties owing Lewis & Garrett, or Simon Lewis are hereby notified that all these accounts are in the hands of our attorney C. H. Leonard for collection and settlement. Persons indebted to us will please settle the same with Mr. Leonard at once.

"The best Range brains and experience have ever produced."

"QUICK MEAL" STEEL RANGES

THEY ARE BETTER BECAUSE: They are built on scientific principles and the material used is so distributed as to do the most good. They are just heavy enough to be good, durable and lasting. The strengthened parts are those where the most wear is. The walls are asbestos lined. They are made of steel, consequently they are strong and cannot crack.
