A remarkable shipment of big Oregon logs were loaded on board the steamship Emma S. Dollar here this week. The logs and are very large, being 105 feet long and 40 feet in circumference. There are 24 of the big sticks and they are being consigned to China, where they will be used to rebuild the temple Ling Yen, the most famous house of worship in all China. The Chinese govern- NOTICE FOR PUBLICATION. ment purchased them here for the purpose. They will be rafted up the Grand Canal in China for 200 miles and taken overland six miles to the temple. The only possible way to get the big sticks this distance is for coolies to carry them on their backs. This seems impossible but it is actually done in China in transporting big timbers over mountain trails, as will be done in this
