

SUBSCRIPTION RATES: One Year \$10.00, Six Months \$6.00, Three Months \$3.75

THE COUNTY FAIR.

(Continued from first page.)

Thursday's racing cards were not at all satisfactory. There were four horses to start in the three eighths mile for \$500. Seventy, Belle Griffon, Wade Hampton and Calusa Boy went to the post and as some of them were not used to a gate, Starter Caldwell used a flag. Either the horses would not score good or the riders wouldn't let them. At any rate they wore out the patience of the starter and he finally got them in a pretty good line and dropped the flag. Seventy got away and Wade Hampton finally took after him, the other two horses remaining at the post. It didn't look good to the judges and the grand stand fairly howled. As some of the same horses were entered in the three-quarter race for the same day, the judges declared the three-eighths off to be run the following day. The race was run off yesterday with three starters, Belle Griffon being allowed to withdraw. Wade Hampton won with Seventy second. 352.

The trot was very slow owing to the fact that the horses had not received much work. Progress was scratched on account of going lame, so Pumpkin, Sidney Wilkes and The Remitter started. The latter was outclassed but Geo. Hagey drove him through any way—all same Indian horse race—and made fun for the grandstand. Sidney took the first heat in 2:42 and Pumpkin the second in 2:38. The third heat went to Sidney in 2:41. Joe Goss, Seventy, Belle Griffon and Evermore started in the three-quarter mile dash. Seventy won with Belle second. Time 1:19.

Yesterday's races started with a match between Flute and Chub quarter mile. The latter won, but the backers of Flute are not yet satisfied and another race is likely between the two today.

Three starters went to the post in the seven-eighths dash: Joe Goss, Belle Griffon and Conaway. Belle took the race without any effort, Joe Goss coming second. Conaway was left at the post and all appearances on purpose as his rider didn't seem to try to get him off.

The stock parade was an interesting feature in yesterday's program. There were not many entries, but the stock made a good showing. F. E. Smith of Dale, led the parade on his handsome Kentucky saddle stallion and conducted the parade in nice shape. Mr. Smith's seven-gaited stallion has been much admired during the week.

The Indian pony race proved its usual success and appealed to the children and the entire attendance. The Indians always whip from the go and by passing the grand stand twice in the mile give the people their money's worth. Capt. Louey's horse won.

SOME PREMIUM WINNERS.

Following are some of the premium winners in the stock: Peter Clemens 1st on mare and mule colt. Also 1st on aged Jack. H. B. Simmons 1st on yearling Jack and 1st and 2nd on Jennies and Jack colts.

The best general exhibit of farm, garden and fruit, Peter Scheiltz was awarded first and Fred Racine second.

We haven't room to publish the entire list of awards this week. The list will be completed next issue.

HILL SAYS HE'S COMING.

The following is a dispatch from Chicago: James J. Hill passed through Chicago today on his way to New York, remaining here long enough to have a conference with John F. Stevens, who is in charge on new construction for the Hill lines in the Hill lines in the Pacific Northwest. Mr. Hill intimated that the aggressive policy which he has adopted with respect to railroad construction into new territory in the West and Northwest would not be abated on account of the death of Edward H. Harriman.

Hill, "and possibly some which are not warranted by present development. Yes, we are going to build a line south in the center of the State of Oregon from a point on the Columbia River. I cannot tell you how far we will go with that line. It depends upon conditions."

"Is it not true that you are heading for San Francisco?" was asked.

"Oh, no indeed," was the reply, "we are heading for Mexico City. I don't mind telling you what route we intend taking, if you will be careful not to say anything about it. We are going to build that line up the Deschutes River and then extend it to the highest point in the Sierra Nevada Mountains, from which point we intend using aeroplanes to reach Mexico City. Now, isn't that a good story for your paper? It has the merit of romance, at least, and that's better than a whole lot of newspaper stories."

Mr. Hill would not go on with reference to his building projects in Oregon.

Burns Soda Works can fill any order large or small.

CIRCUIT COURT.

STAG SULKY PLOW. The Stag is one of the latest and best additions to the famous Deere Line of Riding Plows. Is light in weight, simple and durable in construction—full of genuine merit, and has shown its mettle and utility in every test it has been put to. It has amply demonstrated by its good work its right to be classed as a strictly up-to-date, high-class farm tool. It is certain to suit the most critical farmer and be a money-maker and a labor-saver for him. "If It's a Deere—It's Right" and does its work perfect ease to the operator and team. It is manufactured and sold as a tongueless plow—a tongue not being necessary to best results, but one is supplied at slight cost to those who prefer it that way. The Stag is the simplest riding plow built,—anyone who can hook up a team and drive 'em straight can operate it successfully. It possesses many superior features not found on other plows, and it takes a whole book to illustrate and describe them. Better write for it today and all the information you want about this superior implement. C. H. VOEGTLY
