A. S. Swain met with a painful accident yesterday while on his way to Lawen. One of the singletrees came loose and frightened his team which began to run on the grade just east of the Island road lane. The tongue to the wagon came down and finally stuck into the ground upsetting the wagon which turned over by the grade. In the fall Mr. Swain broke one or more ribs and was more or less bruised. The team did not get away and after some difficulty the injured man got on his feet and started to walk back to town leading the team. John Sweek met him and returned for a rig to bring him to town.

Deputy Sheriff Terrill accompanied by his wife and two children Violet and Billy, arrived home Wednesday from a visit to Portland, Salem and Southern Oregon points. Mr. Terrill says the Southern Oregon towns are prospering and land selling at big prices. He saw Frank Miller at Medford but he had not yet bought a home but was negotiating for one. Mike Hanley informed him that he was going to run the railroad now headed for the Crater lake section, right straight on to Burns. Mr. Terrill states that the Harney county is receiving much attention from the people in that section and no doubt many will be coming out here in the spring.

DID YOU KNOW

That two flows of natural gas under an enormous pressure have been developed in Harney Valley?

Did You Know that the visible indications point to Harney Valley as being underlain with one of the greatest deposits of light gravity oil in the world?

Do You Know what that means to Central Oregon? It means railroads and the development of all the resources of this great inland empire.

Do You Want to share in the enormous profits that await those who first tap this immense pool of oil?

The Harney Valley Oil & Gas Co. offer you this opportunity. With stock selling at 5 cents per share (par value \$1.00) it is an opportunity unparalleled in the history of oil development. We will gladly answer any and all correspondence. Address **Harney Valley Oil & Gas Co., Burns, Oregon.**

Sylvia Rebekah Lodge will give a big dance on the first floor of the new Odd Fellow building on next Friday evening, Nov. 12. Excellent music has been secured and the affair promises to be one of the enjoyable social events of the season. The ladies will also serve supper in the building which will add to the enjoyment of the evening as the menu will be exceptionally good.

During the Boise, Idaho, fair, H. C. Levens, of Burns, Ore., purchased seven head of Red Polled cows from C. H. Brand & Co., of Larkspur, Colo. These cattle have been prize winners at Wyoming and Colorado state fairs, and stood second to David & Sons at Boise. Mr. Levens expects to build up a herd and breed the Red Polls, having purchased his herd bull at the Oregon state fair a year ago.—Rural Spirit. The Rural Spirit is mistaken in regard to the bull. Judge Levens secured the animal from Wm. Byram, the Canyon Creek breeder, at the Harney county fair, not the state fair.

John Leake is in the city.

"QUICK MEAL" STEEL RANGES

THEY ARE BETTER BECAUSE: They are built on scientific principles and the material used is so distributed as to do the most good. They are just heavy enough to be good, durable and lasting. The strengthened parts are those where the most wear is. The walls are asbestos lined. They are made of steel, so negligently they are strong and cannot crack.
