INDUSTRIAL NOTES.

(Portland Correspondence).

Atchison, Kansas, is the central point of four states, Missouri, Kansas, Nebraska, and Iowa, that have on numerous years produced a corn crop of a billion bushels. According to the Globe, a newspaper of Atchison, the government estimate of the past year's total crop in the United States is 2,767,316,000 bushels. Kansas began the growing of alfalfa in 1879 and if more had taken it up at that time, it is estimated that the state would be much richer today. Now hogs are marketed in the Missouri river packing centers that never tasted corn. How much better are the opportunities in this Pacific Northwest country for growing hogs on alfalfa and other foods than corn than in the Middle West, where alfalfa does not thrive so well as it does here.

Grants Pass and Roseburg are both assured new passenger depots by the Southern Pacific. In line with the development and growth that are in evidence in Southern Oregon, that part of the state is getting too big for facilities that have heretofore proved ample.

An army of men is at work building railroads up the Deschutes River to the interior of the state. The winter season is not stopping the work and during the coming year trains will be run into Central Oregon, making a wide agricultural region accessible to farmers. New railroads, too, are entering the coast country, while in the southern end of the state, railroad builders are pushing north from Klamath Falls to Natron on the new Southern Pacific line. Electric projects are active in the Willamette Valley. On the whole it looks like the coming year will be a record one in railroad building for Oregon.

F. S. Reider, representing the road lands, has been in the city several days looking after business interests here.—Argus.

Coughs that are tight, or tickling, get quick and certain help from Dr. Shoop's Cough Remedy. On this account Druggists everywhere are favoring Dr. Shoop's Cough Remedy. The tender leaves of a harmless lung-healing mountainous shrub give to Dr. Shoop's Cough Remedy its curative properties. Those leaves have the power to calm the most distressing cough, and to soothe, and heal the most sensitive bronchial membrane. Mothers should, for safety's sake, always demand Dr. Shoop's. It can with perfect freedom be given to even the youngest babes. Test it once yourself, and see! Sold by Reed Bros.

Supt.

The old fashioned way of dosing a weak stomach, or stimulating the heart or kidneys is all wrong. Dr. Shoop first pointed out this error. This is why his prescription—Dr. Shoop's Restorative—is directed entirely to the cause of these ailments—the weak inside or controlling nerves. It isn't so difficult, says Dr. Shoop, to strengthen a weak stomach, heart, or kikneys, if one goes at it correctly. Each inside organ has its controlling or inside nerve. When these nerves fail, then those organs must surely falter. These vital truths are leading Druggists everywhere to dispense and recomend Dr. Shoop's Restorative. Test it a few days, and see! Improvement will promptly and surely follow. Sold by Reed Bros.

If Sick

Don't risk even one bottle.

And I will tell you why.

It is because every bottle of my "No Name" medicine *is absolutely guaranteed.*

No one need risk one penny on my remedies.

Just think what this means to you if you are sick!

No risk, no expense, no long delay, no useless health fake. You get the benefit of my discovery without the risk of a penny. You are the sole judge of either of my two remedies. Dr. Shoop's Restorative or Dr. Shoop's Night Cure.

Then why take any chances with sickness?

Why purchase a medicine that the manufacturer dare not back with a guarantee like *this remarkable offer?*

And besides, I am not asking you to take my "No name" remedies on my say-so.

Shoop's Restorative has been sold for years in the land. There are no two ways about it. There is no chance whatever for you to be disappointed.

For twenty years I have been prescribing it. It has become thoroughly established.

And I have given the formula to the leading druggists in your town. They have it on hand, or can get it from their jobbers. They have been selected because they are considered the best druggists in their town. Go to the druggist you have selected, tell him you want Dr. Shoop's Restorative or Dr. Shoop's Night Cure, and if the sick—and the entire system—as I do.

But write me first for my free book.

I have an agent in your town. If you do not find him, don't accept a substitute because of his unwillingness to supply you. Write me and I will see that you get the remedy you want, or I will send it direct, but I prefer you should get it at home, as you would your regular medicine, and fully—if you desire—as confidentially.

Below are yours—send for it today. Tell me in a word or two from my list of 20 the nature of your ailment. I have helped thousands to regain health by my private prescriptions. I can help you.

Besides, the books will be sent free. They contain helpful ideas to you. They will tell you of my experience at the bedside of the sick. They will tell you of my methods of treating the sick in your own home. They will tell you why I cure more sick than the majority of physicians. They will tell you why no larger than the Heart its importance. How the Heart sympathizes with other organs and how they sympathize with it. How each have their troubles reflected in the Heart. How these organs suffer pain or lose power because of weakness or exhaustion of the nerves that govern them. How Dr. Shoop's Restorative gives quick relief to these nerves and rebuilds, and makes them strong. How this restores lost functions and power. How it calms pain and controls the nerves. How it draws the blood to the weak organs, and how it makes them receive and change it into rich, red blood. How it makes the heart pump with the power of manhood. How it makes the kidneys do their work. How it makes the liver perform its duty. How it makes the stomach digest food. How it makes the bowels move. How it makes the nerves strong. How it makes the blood pure. How it makes the skin clear. How it makes the head clear. How it makes the eyes bright. How it makes the ears hear. How it makes the throat sound. How it makes the lungs breathe. How it makes the whole body well. How it makes the whole body strong. How it makes the whole body healthy. How it makes the whole body happy.
