What to Read.

"Tell me what a man reads and I will tell you what he is," said a wise writer; for little by little the things that we read become our thoughts, and make the very texture of the mind.

During the last few months the attention of the American people has been aroused to the consideration of pure and impure foods. This agitation has done good, for with the abundance of good food there is little excuse for using any food which is harmful. The time has come when the American family must give better attention than in the past to another matter—the choice between good and bad reading. We have read enough about wickedness in both public and private life; too many stories of criminal transactions; too much about the evil and not enough about the good in life.

Let us have the bright and clean side of our American life only. Let us read stories of heroes who are both brave and noble, and not vulgar and confessed criminals. The mission of the press is to help the reader, not drag him down; to suggest high, not low ideals.

At this season the average American family selects periodicals for the next year. Let the choice be only for clean, wholesome, patriotic periodicals. Send for the Prospectus of the 1910 volume of The Youths Companion and see what an amount of the best reading selected from the world's abundance of every sort can be had for only \$1.75—52 splendid issues.

Every new subscriber receives in addition to the 52 issues for 1910, all the issues for the remaining weeks of 1909, and the "Venetian" Calendar, lithographed in thirteen colors and gold.

THE YOUTH'S COMPANION, Companion Bld. Boston, Mass. New Subscriptions Received at this Office.

Preventics, the new Candy Cold Cure Tablets, are said by Druggists to have four special advantages over all other remedies for a cold. First—They contain no quinine, nothing harsh or sickening. Second—They give almost instant relief. Third—Pleasant to the taste, like candy. Fourth—A large box—48 Preventics—at 25 cents. Also fine for feverish children. Sold by Reed Bros.

Coughs that are tight, or tickling, get quick and certain help from Dr. Shoop's Cough Remedy. On this account Druggists everywhere are favoring Dr. Shoop's Cough Remedy. The tender leaves of a harmless lung-healing mountainous shrub give to Dr. Shoop's Cough Remedy its curative properties. Those leaves have the power to calm the most distressing cough, and to soothe, and heal the most sensitive bronchial membrane. Mothers should, for safety's sake, always demand Dr. Shoop's. It can with perfect freedom be given to even the youngest babes. Test it once yourself, and see! Sold by Reed Bros.
