Come In And Ask About It

We want to tell you about the latest and newest labor saver for the farmer—a marvel of mechanical genius—a regular "Jim Dandy"—the light, handy and simple Fuller & Johnson Farm Pump Engine. You never saw anything like it before—nothing like it has ever been made. It makes a windmill pump into a perfect Power Pumping Plant in a few minutes, and besides pumping, it runs separator, churn, grindstone, or any machine ordinarily run by hand. You do the attaching yourself. Costs less than a windmill! It's well worth a special trip to learn about the most wonderful invention you ever heard of. Next time you are in town come in sure. We want to give you a catalog free. W.T. Smith Agt. Burns, Oregon.

Condensed Evidence.

Each check you issue to cancel an obligation is indisputable evidence that you paid the party.

The check contains the amount transferred, the date, the party who received the check and your own signature. In addition to all this, when we return the check to you, you will find written on the back the party's name which is a receipt in full for the amount on the face of the check.

Checks are ideal records of your business transactions to file for reference.

Be exact and systematic in your business. The check account will help you greatly.
