Safety without Cost.

It is a satisfaction to know at all times that your money is safe in the bank. This is certain.

You can keep your money securely in the bank and at the same time draw out whatever amounts you wish to pay sums to other persons without coming to the bank.

The check account makes this possible.

It eliminates the risk of carrying money on your person; it avoids disputes over bills that you have paid; it turns the responsibility of keeping your money safely from yourself to us. It is our business to keep the people's money safely; we are equipped to do this.

We can tell you more about the check account if you are interested. In fact, we'll be glad to do this for your personal information.

Come In And Ask About It We want to tell you about the latest and newest labor saver for the farmer—a marvel of mechanical genius—a regular "Jim Dandy"—the light, handy and simple Fuller & Johnson Farm Pump Engine You never saw anything like it before—nothing like it has ever been made. It makes a windmill pump into a perfect Power Pumping Plant in a few minutes, and besides pumping, it runs separator, churn, grindstone, or any machine ordinarily run by hand. You do the attaching yourself. Costs less than a windmill! It's well worth a special trip to learn about the most wonderful invention you ever heard of. Next time you are in town come in sure. We want to give you a catalog free. W.T. Smith Agt. Burns, Oregon
