GUMPTION ON THE FARM.

Bought your clover seed yet?

Bad tools will spoil the best workman.

The Lord loves you; don't be afraid of anything.

Send for needed plow-irons now, so as to be ready.

Attend a neighbors vendue and help him out a little.

The worst bedfellow in the world is worry; kick it out!

The average farmer will find plowshares more profitable than mining shares.

"It takes money to make money," we are often advised. True, but sometimes it takes money to make a fool.

About the most uncomfortable and unsatisfying work in which a man can engage is thrashing his wild-oat crop.

Plenty of screws, strap-hinges, hasps, gate-hooks and eyes come handy around the farm. Try a box of such in the shop.

We need not wear ourselves out worrying about what will happen when the soil wears out. Such a calamity will not happen in our time.

Throwing vocal stones at other people may be fun, but ten to one the other fellow will get mad and hit you with the real article sometime.

Some men who are not fit to have a dollar, rail at their wives about a ten-cent waste; yet will firmly hand over $2 to the saloon man for "distilled damnation," as one minister puts it.

I have seen men and women working around the farm or house until eleven o'clock at night, or later; and yet with years of such lost rest and nerve force they were very little ahead. Better go to bed at nine, get a good rest, and get up early, with quiet nerves. Then you can do double work.

Lime-sulphur wash as a remedy for the rabbit pest: During the last year the lime-sulphur wash, which for a number of years has been employed to prevent damage to trees by the San Jose scale, was tried with great successs in several localities as a protection for orchard tree trunks against the attacks of rabbits, savs Secretary Wilson. The remedy is cheap, and as a rule a single treatment in the fall appears to protect trees for the entire winter. Its more extensive use is recommended.

The farmer has time these long evenings and bad days to work his brains and broaden his vision by reading, planning and studying. He has time to weigh problems and to write letters that should have been written long ago. I know some farmers living handy to the village store who spend every evening and bad day loafing. This is too much of a good thing. I believe in dividing the time up a little better. The fellow who has no desire to improve his mental qualities, or to figure out why he has not made much money in the past year, might at least spend a little time in doing things for the comfort and pleasure of those he loves.—From February Farm Journal.

The tender leaves of a harmless lung-healing monutainous shrub, give to Dr. Shoop's Cough Remedy its marvelous curative properties. Tight, tickling, or distressing coughs, quickly yield to the healing, soothing action of this splendid prescription—Dr. Shoop's Cough Remedy. And it is so safe and good for children, as well. Containing no opium, chloroform, or other harmful drugs, mothers should in safety always demand Dr. Shoop's. If other remedies are offered, tell them no! Be your own judge! Sold by Reed Bros.

Take no substitute—just tell the grocer Cremo.

If your stomach, heart or kidneys are weak, try at least, a few doses only of Dr. Shoop's Restorative. In five or ten days only, the result will surprise you. A few cents will cover the cost. And here is why help comes so quickly. Dr. Shoop doesn't drug the stomach, nor stimulate the heart or kidneys. Dr. Shoop's Restorative goes directly to the weak and failing nerves. Each organ has its own controlling nerve. When these nerves fail, the depending organs must of necessity falter. This plain, yet vital truth, clearly tells why Dr. Shoop's Restorative is so universally successful. Its success is leading druggists everywhere to give it universal preference. A test will surely tell. Sold by Reed Bros.

Longood, Contestee, in which it is alleged that said William L. Longood never established a residence upon said tract of land, never improved the same and never cultivated any portion thereof; that he merely erected a cabin on said tract and before establishing residence thereon and about the 18th day of November, 1908, said claimant died intestate; that said claimant was unmarried and left surviving him as his only heirs at law three brothers neither of whom resided then or now in the state of Oregon; that on the 24th day of November, 1908, letters of Administration duly issued to C. A. Sweek as Administrator of the estate of said William L. Longood, who duly qualified as such and took possession of the personal and real property of said estate and duly administered the same and said estate has been finally settled; that neither the said Administrator or either or any of the heirs of said deceased claimant ever made settlement on or cultivated any portion of said claim and none of the heirs or any person for them ever in any manner either in good faith or otherwise, cultivated any portion of said claim; that the said cabin so erected upon said claim by the deceased has long since been removed from said premises and the said claim has been wholly and absolutely abandoned for more than six months last past and the same is unoccupied, unimproved, uncultivated and unfenced and that said alleged absence from said land was not due to his employment in the Army, Navy or Marine Corps of the United states as a private soldier, officer, seaman or marine during the war with Spain, or during any other war in which the United States may be engaged; said parties are hereby notified to appear, respond and offer evidence touching said allegation at 10 o'clock a. m. on March 7, 1910, before the Register and Receiver at the United States Land Office in Burns, Oregon.

The said contestant having, in a proper affidavit, filed January 19, 1910, set forth facts which show that after due diligence personal service of this notice can not be made, it is hereby ordered and directed that such notice be given by due and proper publication.

Tell Some Sick One
It Is Free If It Fails.
Will you do an act of humanity?
Will you tell some sick friend of this, my remarkable offer?
Tell him or her, since you have learned of a medicine guaranteed to cure dyspepsia in the worst form, as absolutely and unconditionally free if it fails.
And you, no doubt, already know of Dr. Shoop's Restorative and its popularity.
For 30 years it has been the standard remedy for ailments. Kidney and Heart ailments every where in America.
When the "inside" or controlling nerves of these vital organs begin to fail, it is Dr. Shoop's Restorative that has quickly vitalized, restored, and brought those nerves and organs back to healthy repair.
I do not dose the Stomach, nor stimulate the Heart or Kidneys—for that is all wrong.
Dr. Shoop's Restorative goes direct to the cause of these ailments—the failing, invisible inside or controlling nerves. And herein lies the keynote to my success.
When those nerves are again made well and strong, then that is the correct end of all sickness.
Time it is a good satisfaction that I am the only physician in the world who authorizes such a broad, fair proposition. So say I—be the sick, and if it fails to help you, the entire expense is mine—not yours.
Then why should the sick take any chance on any other medicine, when maker dare and back it just as I do by this remarkable offer?
I also have a little book I want to send you—and that remedy is entirely free from the same identical "No help, no fee" proposition. No one has to pay me, and if you would care to learn more about my remedy, its formula, etc., I will gladly send you a copy of my little book known as Restorative and will send free.
Perhaps a word or two from me will show you some of the reasons why I am willing to stake my reputation upon the merits of my remedy. Besides, you are free to consult me just as you would your family physician. My advice and the book known as Restorative and will send free.
