Al Solinger came down from the Idyl City mines this week with some very rich rock that had been uncovered. We did not learn any particulars concerning it, but it certainly shows some very rich ore in that section and would indicate that Mr. Darst and his associates have some fine claims in that district.

Dr. Marsden was called to Lawen the first of this week to investigate some smallpox cases that were reported. He found five of the Ferd Tipton family afflicted with smallpox and they have been quarantined. It is not known whether there have been many exposures or not. It seems some of the family had been out to Pendleton where they contracted the disease and didn't know what it was.

25-20

Model 1894

Repeating Rifle

This rifle is built for settled districts, where good range and killing power are desired, with safety to the neighborhood.

The Marlin 25-20 is a light, quick-handling, finely-balanced, repeater, with the solid top, closed-in breech and side ejection features which make Marlin guns safe and agreeable to use and certain in action.

It is made to use the powerful new high velocity smokeless loads with jacketed bullets as well as the well-known black powder and low pressure smokeless cartridges, and is the ideal rifle for target work, for woodchuck, grouse, quail, ducks, geese, etc., up to 200 yards.

This rifle and ammunition, and all other Marlin repeaters, are fully described in our 120-page catalog. Free for 3 stamps postage.
