JULIAN BYRD - Manager

A severe storm and freeze in Utah and the Missouri River sections has destroyed the fruit. We have been particularly fortunate in this respect and so far no damaging weather has caused alarm.

THE ORIGINAL BOOSTER IS COMING

Tom Richardson to Visit Burns, Monday, May 9th and hold Big Meeting.

The Burns Commercial Club is in receipt of a letter from Tom Richardson, manager of the Portland Commercial Club and head of the Oregon Development League that has branches in every county of the state stating he would visit Burns early in May.

Tom Richardson has done wonders toward attracting settlers and capital to Oregon in the last few years and his efforts are appreciated in every community where his influence has reached.

The Harney country is one that will have particular attraction for this energetic hustler and we will reap benefits from his visit. The Burns Commercial Club will have all arrangements completed for the meeting on Monday evening, May 9 and it is hoped to get a large number of our neighbors to join in the meeting.

TOOK HER OWN LIFE.

A most distressing tragedy occurred at the homes of Clyde and Van Embree just south of Wright's Point in Sunset last Sunday evening, when their sister, Mrs. W. W. Sellers, took her own life by shooting herself with a 32-calibre revolver.

The old fashioned way of dosing a weak stomach, or stimulating the Heart or Kidneys is all wrong. Dr. Shoop first pointed out this error. This is why his prescription—Dr. Shoop's Restorative—is directed entirely to the cause of these ailments—the weak inside or controlling nerves. It isn't so difficult, says Dr. Shoop, to strengthen a weak stomach, Heart, or Kidneys, if one goes at it correctly. Each inside organ has its controlling or inside nerve. When these nerves fail, then these organs must surely falter. These vital truths are leading druggists everywhere to dispense and recommend Dr. Shoop's Restorative. Test it a few days, and see! Improvement will promptly and surely follow. Sold by Reed Bros.
