Should there be any doubt in your mind as to the benefits of the check account for your individual or business needs, let us refer you to any of our hundreds of customers who make it a rule to pay by check,--always.

Many of these have requirements similar to yours. They have used the check account, know its advantages, and would not be without it.

It is reasonable to say that the check account would place at your command many advantages for carrying on your business.

Small accounts courteously welcomed.
