AS A RULE, figures are dry reading—not so with the figures in a bank book. The most thrilling tale of fiction is not half so absorbing as the pages of a bank book.

The tale of a bank book is never too long, each page is intensely interesting and will bear re-reading. The happy ending is always welcomed. In order to enjoy the pages, each man must own his own bank book.

The way to do this is to open an account with THE HARNEY COUNTY NATIONAL BANK BURNS, OREGON STATE DEPOSITARY.
