Practically all of the Harney county trade will come through Canyon City this summer and fall. The railroad will be into Prairie City in time to give the Burns merchants an opportunity to order their winter stock shipped via Prairie City. Considering the distance and condition of the roads the haul this way will be about half the haul by the way of Vale. This will mean a considerable saving on the part of the merchants of Harney county and it will of necessity result in the reduction of the freight rates and will also cut down time of transit.—Blue Mt. Eagle.

Any lady reader of this paper will receive, on request, a clever "No-Drip" Coffee Strainer Coupon privilege, from Dr. Shoop, Racine, Wis. It is silver-plated, very pretty, and positively prevents all dripping of tea and coffee. The Doctor sends it, with his new free book on "Health Coffee" simply to introduce this clever substitute for real coffee. Dr. Shoop's Health Coffee is gaining its great popularity because of: first, its exquiste taste and flavor; second, its absolute healthfulness; third, its economy 1½ lb. 25 cents; fourth, its convenience. No tedious 20 to 30 minutes boiling. "Made in a minute" says Dr. Shoop. Try it at your grocer's, for a pleasant surprise.

In sickness, if a certain hidden nerve goes wrong, then the organ that this nerve controls will also surely fail. It may be a Stomach nerve or it may have given strength and support to the Heart or Kidneys. It was Dr. Shoop that first pointed to this vital truth. Dr. Shoop's Restorative was not made to dose the stomach nor to temporarily stimulate the Heart or Kidneys. That old-fashioned method is all wrong. Dr. Shoop's Restorative goes directly to these failing inside nervs. The remarkable success of this prescription demonstrates the wisdom of treating the actual cause of these failing organs. And it is indeed easy to prove. A simple five or ten days test will surely tell. Try it once,and see! Sold by Reed Bros.

Get Well First
Don't risk even a penny—until health first returns.
And I mean just exactly that. I am the one physician who says to the sick [illegible] no pay on account, pay for your medicine if it fails to bring you help!
And for 20 years Dr. Shoop's medicines have been used and recommended in every city and hamlet in America. They are positively standard in every community—and everywhere. Then why pay the cash, and at your risk, for other unwarranted and uncertain medicines? Thousands upon thousands have in the past successfully used Dr. Shoop's Restorative. When the stomach nerves, or the Heart or Kidney nerves fail, these sick ones know how quick Dr. Shoop's Restorative will bring them back health again. *But best of all, they positively take no money risk whatever.* They know that when health fails Dr. Shoop will gladly return. Dr. Shoop will pay the druggist for that test.
