Manual Slanders lost 300 sheep during the last two weeks from an unknown cause, but supposed to be caused by the poisonous weed or herb that is found in a few localities in this section. Manuel has his sheep in the vicinity of Albert lake. Botanist Dr. Tidestrom has gone to investigate the cause of the heavy sheep loss. —Lakeview Herald.

A failing tiny nerve—no larger than the finest silk thread—takes from the heart its impulse, its power, its regularity. The Stomach also has its hidden, or inside nerve. It was Dr. Shoop who first told us it was wrong to drug a week and failing Stomach, Heart or Kidneys. His prescription—Dr. Shoop's Restorative—is directed straight for the cause of these ailments—these weak and faltering inside nerves. This no doubt clearly explains why the Restorative has of late grown so rapidly in popularity. Druggists say that those who test the Restorative even for a few days soon become fully convinced of its wonderful merit. Anyway, don't drug the organ. Treating the cause is the only sensible and successful way. Sold by Reed Bros.
