A SISTERS' ACADEMY

The visit of Rev. Peter Wallace-check, superior of the Order of Franciscans, last week, resulted in some fine improvement being started by the Catholic church in this city.

An assistant to Father Kline will also be established at once, together with a lay brother, which requires an addition to the present residence adjoining the church.

REPUBLICANS MEET.

The republican meeting last Saturday afternoon for the purpose of electing delegates to the state assembly, was not largely attended.

Sitz, R. T. Hugnet, M. H. Hayes, Alternates: C. W. Drinkwater, C. B. Smith, Geo. A. Smyth, M. M. Doan, Chas. Turner, Frank Metchan, W. G. Hodder, A. Egli, Wm. Capron.

There is more or less opposition to the assembly plan among the republicans, therefore the matter has not been pushed very much.

None of the delegates elected went to the assembly but Wm. Miller and Prof. Yoder, both of whom are in Portland.

PESTS IN NATIVE TREES.

Pests in the pines have recently made their appearance in this county according to Supervisor Cy. J. Bingham of John Day.

It seems that a certain insect attacks the bark of the tree. It does this in such numbers that the tree bleeds to death.

It was in Montana several years ago when several thousand acres of timber was killed in this manner. The government sold this timber and it was cut down with hope of staying the course of the destructive little insects.

Good Roads Needed South of Canyon

The Burns people are making good, the railroad people are making good, the Baker people are doing their part and now it is up to Prairie and Grant county to do their part.

The people of Burns are going to insist upon a good wagon road from Prairie to Burns or they will not trade with this county.

The chief difficulty now is the bad condition of the Canyon road from Canyon City south to the Harney county line.

THE SLAUGHTER OF COYOTES

How many thousand dollars have been saved the stockmen of the county on account of the bounty can never be approximated but that there have been 1247 coyotes killed is a fact, because County Clerk Schroeder has removed the scalps from this number of pirates of the plains.

is the total number presented for the bounty of \$1.50 since July 8, 1909. Bounty has also been paid on the following animals: 104 wildcats; 42 bobcats; 4 lynx; 2 wolves and 3 cougars.
