

SUBSCRIPTION RATES: One Year, \$2.00; Six Months, \$1.25; Three Months, \$0.75.

SOME SPECIAL PREMIUMS: The Times-Herald is pleased to find an awakening by local people to the importance of the county fair and a few have come forward with special premiums...

Another matter that will help is the decision of the fair board to print an invitation giving the fair dates on envelopes of any or all the business houses in Burns free of charge...

Geo. Hagey will give \$10 cash for the best suckling colt sired by Progress. Hagey & Richardson will give a case of Monopole brand fruit for the best general display of fruit by one producer.

Randall and Passenger will give \$2.50 cash for the best three sheaves of oats. The Times-Herald will give \$5 cash for the best exhibit of alfalfa by one grower.

The special prizes of \$5 for the best wheat and \$5 for the best potatoes grown on dry sage brush or bench land by M. Schwartz has already been mentioned. There are many things that suggest special prizes from business men which should have attention. It is very desirous of encouraging interest in such products as will go in the Great Northern advertising car. In this connection we may say that Mr. Hill is offering a silver cup for the best general display of farm products grown by one individual and also a silver cup for best general exhibit of garden products grown by one individual.

There will also be 200 special Great Northern first and second prize ribbons go to premium winners in the agricultural, garden, horticultural, stock and dairy departments.

To Start Fund for Fair.

The 4th of July committee has some money left that was subscribed for the celebration and after consulting the subscribers propose to apply the amount toward a fund for the entertainment program of the fair if there are no objections. This is something over \$100 and will give the fund a very substantial start.

N. Brown & Sons will also donate \$25 toward the fund and with other contributions that will voluntarily come in the program may be arranged at an early date and published.

Who will be the next to come forward and subscribe to the fund?

J. Irwin of the Burns Presbyterian church officiated. The wedding was solemnized in the presence of the families of the contracting parties and a few of their intimate friends. The ceremony was very impressive, the beautiful ring service forming a part of it. Following the tying of nuptial knot the bridal company set down to a most bountiful wedding dinner. The bride came to Harney county with her parents ten years ago, while the groom is a son of pioneers of this section. Mrs. A. A. Cowing. The young people will make their home on a ranch recently filed on by the groom situated twenty-five miles north of Burns on which a neat new house is being built.
