TEACHERS' ANNUAL INSTITUTE.

Supt. Hamilton has arranged for the annual county institute to be held in the city beginning Wednesday Oct. 5. He has been in communication with State Supt. Ackerman and several outside instructors and has just secured the services of an instructor from Portland who will be present.

Supt. Hamilton has instructed The Times-Herald to make these announcements and further state that the law requires every teacher actively engaged in the county to be present.

The superintendent has made this date in order to give the school children an opportunity to attend the fair and also to give the teachers of the county such a privilege. The grant county institute will be held the following week and is also during the fair over there.

Supt. Hamilton also desires to hold a school board convention on Saturday forenoon at which time he desires to meet members of the boards of each school district in the county if possible. The objects of such a convention are set forth in the following section taken from the school laws of Oregon:

"The county school superintendent may, at his discretion hold annually a school board convention or conventions for a term of not less than one day for the discussion of questions pertaining to the public school system.

"The chairman of the school board shall be the delegate to the convention. If he is unable to attend he shall appoint a member of his board or the clerk to represent the district. Each delegate attending the convention during the entire session shall be entitled to receive two dollars out of the general fund of the county. But no expense shall be paid until approved by the county superintendent.

"No school district shall be entitled to compensation for representation for attendance at more than one convention held in the county during any one year."

Dr. Madison's Stay in Bellingham is Proving a Boon to Afflicted Humanity

The Irving House on Dock Street is the Scene of Miraculous Cures—Given up to Live as Cripples or Die—All These Have Been Restored to Health and Happiness by Dr. Madison's Pure "Essence of the Green Plant" and his Bloodless Surgery.

Every day adds to the long list of permanent cures that Dr. Madison is accomplishing, in his marvelous way, at the Irving House at 1315 Dock Street. Rheumatic cases of long standing seem to instantly vanish before his scientific treatments. Many despondent sufferers of chronic afflictions are willing and anxious to testify to the great things he has done for them.

This is truly the age of wonders. Discoverers and inventors are radiating from all quarters of the globe. The modern philanthropists have also come in for their share of prominence, but few have won the gratitude of suffering humanity as has Dr. Madison since discovering his phenomenal system of permanent cures, after years of service in some of the world's best medical institutions. His lecture at Beck's Theatre last Tuesday night was not only most interesting and instructive, but a revelation as well. It is the talk of the town. The patients to whom he gave instant relief before the eyes of his audience have experienced no return symptoms and cannot say enough in praise of what the Doctor has done for them. The case of Mrs. L. J. Wright, who resides at Knox Street, this city, is ample evidence of Dr. Madison's ability to successfully conquer the most tenacious diseases. Before attending Dr. Madison's lecture at Beck's Theatre last Tuesday night, Mrs. Wright had been a long sufferer of chronic rheumatism, but today experiences all the happiness of good health and is able to walk about town with perfect ease.

Dr. Madison's system of treatment was made possible by his discovery of the great virtue that lies hidden in the juices of various plants from Mother Earth. Though serving as a practitioner for years under the old school, Dr. Madison has abandoned the old orthodox methods in his present system of cures. He is opposed to poisoning the system with too many drugs. Nature seems to accomplish unaccountable cures through herbs, on human beings, as for ages they have in their silent way upon the natives of forests, foothills, mountains and plains, where nature furnishes them.

In certain complicated cases and in abnormal anatomy, Dr. Madison associates bloodless surgery with the "juice of the green plant." There are but few specialists in the world today who have won the title of "bloodless surgeons." Dr. Madison is one of them. It is hoped for the sake of suffering humanity that many more will acquire this ability to accomplish cures.

Dr. Madison has scores of convincing testimonials at his office. They tell stories of human suffering relieved, which have rarely been equalled in the annals of medical and surgical history. Almost every one was at one time given up by the doctors either to die or spend the remainder of their life in bed or on crutches. Some of these cures were wrought here in Bellingham at the offices in the Irving Block, where he is now giving treatment daily. Some are our Bellingham citizens, known and respected here. Some live in various parts of the state and some from other states. Here are a few of hundreds—What the eyes see the heart must believe.

Read What The Patients Say

"Dr. Madison treated me for deafness last Tuesday night, Oct. 12. Have improved and hear as well as ever. Wm. A. Day, Bellingham, Wash., Oct. 15."

"I was on crutches for three years. Dr. Madison treated me at Beck's Theatre last Tuesday night, Oct. 12 and he broke my crutches. I walked out of the theatre and went home, one mile distance, and I continue to walk without the aid of crutches and am feeling fine. Mrs. H. G. Maxwell, Bellingham, Wash., Oct. 15."

Bellingham, October 15, '09. I employ this means to signify the gratitude I feel toward Dr. Madison and his successful methods of treating disease. I have been a long sufferer of chronic rheumatism, and my suffering for the past three years have been almost beyond endurance. I consulted many physicians and spent large sums of money in my efforts to get relief, but instead of finding it I had to resort to crutches to enable me to move about. I am still wondering over what Dr. Madison has done for me. It seems beyond human conception, but nevertheless the fact remains that since Dr. Madison treated me in public at Beck's Theatre last Tuesday night my rheumatism is past history. Instead of hobbling about in pain I visit his office unassisted and enjoy all the pleasures and happiness of health. I cannot say too much in praise of what Dr. Madison has done for me. Mrs. L. J. Wright, 708 Knox Street, Bellingham, Wash.

Bellingham, October 16, '09. I have had stomach and liver trouble for fifteen years. I began treatment with Dr. Madison last Wednesday morning, October 13, and I am feeling like a new man and I take great pleasure in recommending Dr. Madison. G. M. Gwering, Bellingham, Wash.

"I was helpless from that giant disease rheumatism. I managed to make my way on crutches to the Everett Theatre, when Dr. Madison called for cripples. I went to the platform and he treated me for 20 minutes, after which I walked off the stage and went home without crutches. I went to work for B. H. Vollans on March 1, and feel fine. I was treated Feb. 25, 1909. C. E. Smith, Everett, Wash.

"I was on crutches for four and a half years. Dr. Madison treated me at the Everett Theatre, Thursday night, February 26, and he broke my crutches and I walked out of the theatre. I continue to walk without the aid of the crutches and am feeling fine." Mrs. E. C. Dean, 2035 Wetmore, Everett.

Dr. Madison treated me for deafness seven years ago. I am improved and hear as good as ever. GEORGE WADDELL, Everett, Wash.

Are These Cures Permanent

Read and be Convinced

This is to certify that I have been a helpless cripple for two and one half years from that giant Disease Rheumatism, and was in bed part of the time; for two years was compelled to walk with crutches. DR. MADISON treated me at the opera house, August 2, 1905, and broke my crutches on the stage. I walked out of the opera house without them; and I continue to walk and I am feeling fine—have no more use for my crutches. I take pleasure in recommending Dr. Madison to the public. (Signed) M. T. CHARLTON, Boise, Idaho, August 6, 1905.

I was treated by Dr. Madison at the opera house, August 6, 1905, for deafness. Have been improving ever since. I now hear as well as I ever did and shall ever be grateful to Dr. Madison for curing me. (Signed) H. M. COLLINS, Boise, Idaho, August 6, 1905

The voice of the skeptic is now hushed, for they must now believe this man is a wonder, for they can now see what he really can do, and "what the eyes see the heart must believe."
