NEW CLUBBING PROPOSITION

We have arranged to offer in connection with this paper, the new monthly farm magazine just started at Lincoln, Nebraska, by Prof. H. W. Campbell and devoted to the subject of how to farm in the dry country and how to get best results from soil tillage under normal conditions. This Paper is Campbell's Scientific Farmer and we offer it clubbed with The Times-Herald both for \$2.50 per year cash. Prof. Campbell's new paper is a monthly, check full of good things, the only paper of its kind in the world, and it embodies the results of the editor's many years of painstaking investigation of the soil tillage proposition.

A visible keyboard—one with every character in sight is the quickest keyboard to learn and the speediest and most accurate when learned.

Writing in sight is an advantage, of course—a Smith Premier advantage, of course, but a keyboard with every character in sight is an advantage so decided that it should govern your selection of a typewriter.

If the typewriter offered you lacks a visible keyboard, investigate one that has this feature before you buy.
